The Love Contract:

The Love Contract Tnesha Sims,2024-06-26 The revelation of Xavier's mother in law's secrets adds a complicated layer to his marriage. It not only puts pressure on their relationship but also raises questions about trust and loyalty. Xavier must decide whether he can handle the weight of these secrets and if their marriage can withstand the challenges they bring. Will or will he not tell Jessie learned the true meaning of sacrifice, empathy and unconditional love fairly quickly. This journey opened her heart and mind to new experiences and perspectives and ultimately led her to find a deep and fulfilling love she never expected. All good things must come to an end right. Jessie now has to prove that she is truly in love with Xavier. Is Jessie truly in love or is she in love with what this man can provide for her. Only one person sits on the board for judgment and he goes by the name of Titus King. Titus King's judgment holds the power to determine the fate of Jessie and Xavier's relationship. His decision will not only test the authenticity of their love but also reveal the true intentions behind her selfless act. The outcome of his ruling could potentially shape the course of Jessie's life.

Love Entrepreneurs Phil Nicks,2008 *Love & Money* Ann-Margaret Carrozza,2017-05-16 I have often said that money problems are not solved with money. Ann Margaret understands it is not what you make but what you keep that matters. You will read this once and refer to it for years to come. Dr Phil from his foreword. It is no secret that we are living in an increasingly litigious society. What may come as a surprise though is that we are far more likely to be involved in a costly legal dispute with a former loved one than we are with a stranger. In Love and Money Ann Margaret Carrozza will help you to easily understand and implement essential legal strategies to prevent you from doing legal battle with someone you once shared Thanksgiving dinner or a pillow with. Through an engaging narrative including amusing cautionary tales readers will learn how to utilize contracts to identify and avoid costly relationship landmines. Reduce pet peeves and create a joint mission statement all the while ensuring that one's wealth and values are transmitted to future generations. Love and Money demystifies many legal structures including Prenuptial agreements, Postnuptial agreements, Cohabitation agreements, Love contracts, Wills, Trusts, Powers of attorney, Healthcare advance directives. After learning how to erect legal barriers against external wealth destroyers and evildoers the focus of the book moves to internal wealth destroyers. Readers will learn how to identify and combat internal wealth repellants such as low self esteem, fear and stress. Becoming and remaining wealthy requires more than just money. This book provides a unique education about the interrelated nature of the internal and external laws of wealth and how to put them both to work for stronger relationships with one's finances and loved ones.
