The Love Scrolls Edward Theodore Hayes, 2006-02-01 When we discover a love is imperfect can love survive Can we avert a war It becomes A Page of wrongs versus an unscrambling of that page that can turn into a clean new slate of Agape love We thought love can never be perfect again or can it There is an equation of love revealed that proves it can be indeed it must be Learn it because it will bring you to the better end of the two divergent plots of Antitheses

The Love Scrolls Edward Theodore Hayes, 2008-06 Forget everything you were taught forget everything you heard just forget everything you thought you knew about love What you are about to hear will change your heart forever What if we found someone that was true to love and characterized the nature of pure love itself Then you would have Angel and oh how she would save restore heal and guide one's heart to that perfect nature once again This will test the knight's beliefs love and allegiance to his queen The angel will reestablish the principles of love restore its hierarchy and carry its very flag The knight's beliefs will be turned upside down with a new angelic gospel Behold In truth the knight is

about to be set free In faith he is about to grow wings In love he is about to soar and you are invited to go with him If you follow the angel s gospel you also will never be in want of the spiritual fruits again ever Let Angel tell it where they are and how to gain an eternal supply and never see the lack of love again no matter who you think may be holding its supply In the end you will share love s entire storehouse and enjoy its eternal victory Don t settle for just winning a heart but in love
