*The Litany of the Great River* Meinrad Craighead, 1991-01-01      **Meinrad Craighead** Meinrad Craighead, 2003 This extensively illustrated volume collects the varied powerful work of Meinrad Craighead an artist whose images find their beginnings in her Catholic roots she was a nun for fourteen years as well as in the traditions of Southwest Native American Culture in which she has immersed herself since moving to New Mexico twenty years ago Craighead has devoted her life to contemplation prayer and art Her images are both figurative and abstract she works in both black and white and color Animals figure prominently in her work as do dream figures and the artist herself in various manifestations Oftentimes her images relate journeys she has taken either on this earth or in waking or sleeping dreams Many times her paintings are accompanied by her own telling of these stories and as a writer Craighead has the ability to move us as deeply as her images do This retrospective conveys Craighead s enormous body of work over the past forty years It is a tribute to an important visionary a fine artist and an inspiring life Essays by Rosemary Davies a writer who first met Craighead at Stanbrook Abbey Virginia Beane Rutter a Jungian analyst and the author of *Embracing Persephone* and *Celebrating Girls* and Eugenia Parry an art historian and the author of numerous books and essays about art and photography discuss Meinrad Craighead s work with subtlety and insight      *The Covenant* George Wesley Buchanan, 2012-07-23 Buchanan has unlocked an interesting conflict that took place in Scripture and has important ethical implications that continue until today There are only two passages in Scripture that report something that God reckoned to anyone as righteousness One of these is the covenant made with Abraham that included the promises of prosperity posterity and the land if the people obeyed but curses of famine disease wild beasts and the sword if they disobeyed The other covenant was made with Phineas It also expected to receive the promises but demanded different behavior It was designed to repudiate the covenant made with Abraham Buchanan has traced the results of these covenants as they were followed by the parties to the contracts from Abraham to Jesus Paul and Marcion in antiquity and as far as Martin Luther King today Originally these conflicts were played out within the borders of Palestine and according to the character of life that the contracts directed and the righteousness associated with their fulfillment      *Miraculous Abundance* Perrine Herve-Gruyer, Charles Herve-Gruyer, 2016-03-14 Farmers like Charles and Perrine Herv Gruyer are beacons of light Their work allows the rest of the world to see that there is another life there is another way Eliot Coleman What began as a simple dream has turned into one of the world s most radical innovative experiments in small scale farming using the Bec Hellouin model for growing food sequestering carbon creating jobs and increasing biodiversity without using fossil fuels When Charles and Perrine Herv Gruyer set out to create their farm in a historic Normandy village they had no idea just how much their lives would change Neither one had ever farmed before Charles had been traveling the globe teaching students about ecology and indigenous cultures Perrine had been an international lawyer in Japan Their farm Bec Hellouin has since become an internationally celebrated model of innovation in

ecological agriculture Miraculous Abundance is the eloquent tale of the couple's quest to build an agricultural model that can carry us into a post carbon future The authors dive deeper into the various farming methods across the globe that contributed towards the creation of the Bec Hellouin model including Permaculture and soil health principles Korean natural farming methods Managing a four season farm Creating a productive agroecosystem that is resilient and durable Using no dig methods for soil fertility Modelling an agrarian system that supports its community in totality from craft restaurants and shared work spaces to jobs agritourism energy and ecological biodiversity Perfect for aspiring and experienced farmers gardeners and homesteaders Miraculous Abundance is a love letter to a future where ecological farming is at the centre of every community This book more about philosophy than a how to describes how two inexperienced beginners succeeded in creating a gorgeous productive self sustaining farm Marion Nestle      **Exploring the Great River** E.
