**Little Catechism of the Cure of Ars** Saint John Vianney, Brother Hermenegild, Brother Hermenegild

Tosf, 2014-02 The holy Cure of Ars Saint John Vianney 36 basic Catholic subjects in a simple manner for the average layman to easily understand this holy points He discusses the seven deadly sins and their remedies Let us consider this from the catechism on the Love of God Our body is a vessel of corruption it is meant for death and for the worms nothing more And yet we devote ourselves to satisfying it rather than to enriching our soul which is so great that we can conceive nothing greater no nothing nothing For we see that God urged by the ardor of His love would not create us like the animals He has created us in His own image and likeness do you see Oh how great is man Man being created by love cannot live without love either he loves God or he loves himself and he loves the world See my children it is faith that we want When we have not faith we are blind He who does not see does not know he who does not know does not love he who does not love God loves himself and at the same time loves his pleasures He fixes his heart on things which pass away like smoke He cannot know the truth nor any good thing he can know nothing but falsehood because he has no light he is in a mist If he had light he would see plainly that all that he loves can give him nothing but eternal death it is a foretaste of Hell

*A Brief Catechism for Adults* William J. Cogan, 1993-10 A Brief Catechism for Adults is a little masterpiece designed for convert instructions It was actually compiled from the notes of many Catholic priests who originally used the instructions from the first edition of the book with tens of thousands of converts Thus it represents the fruit of many minds For years it was practically the standard catechism in the U S and Canada for instructing people in the Catholic faith Packed with facts and written in short clear question and answer format accompanied by brief Scripture quotes the book is concise and to the point and shows exactly what one must believe and do in order to be saved Using ordinary language to explain theological truths it stresses what is required to form a correct Catholic conscience This book gives special emphasis to marriage since most people either save or lose their souls as married persons showing the duties people have as spouses and parents It includes also a list of common mortal sins the interior design of a Catholic church how to pray the Rosary popular saints names for Baptism and Confirmation familiar Catholic prayers and practical points on common questions that arise in an unbelieving world A Brief Catechism for Adults is an incredible one volume handbook on how to be a good Catholic that is at once perfect for inquirers but also excellent for adult cradle Catholics All

Catholics need to know what is in this little book whereas unfortunately likely ninety nine percent today do not For simplicity readability interest and completion there is no book of its kind that comes close to A Brief Catechism for Adults
