stories as well. It doesn't take long for GoGo to get to the truth behind the rips and tears they've brought her to fix. As GoGo listens and sews, she realises she is also helping her clients cheat and lie to their husbands and wives. She's covering their tracks so they won't be found out. A five-week blackout brings the city to its knees and a drama to her doorstep. A lover, a wife, and finally the cheating husband all come to claim a vintage Irish costume that GoGo's been mending. She doesn't want to like the guilty husband but can't resist being drawn into the enticing web of his deceit and then into his story of heartbreak and death on the streets of Belfast. To keep him coming back to the blacked-out house and to prolong the telling of his family's story, GoGo pretends the costume isn't finished. As she makes him return to her day after day, it becomes clear that another kind of spell is being woven and GoGo must face the truth about herself and her own life and marriage. An intoxicating, entrancing, gripping novel of illicit love, passion, and embroidery, told in an inimitable voice by a brilliant writer. *Zeitgeist*, 1969.

The Bulletin, 1995. *Pig City*, Andrew Stafford, 2014-07-01. From cult heroes the Saints and the Go-Betweens to national icons Powderfinger and international stars Savage Garden, Brisbane has produced more than its share of great bands. But behind the music lay a ghost city of malice and corruption. Pressed under the thumb of the Bjelke-Petersen government and its toughest enforcers, the police, Brisbane's musicians, radio announcers, and political activists braved ignorance, harassment, and often violence to be heard. This updated 10th anniversary edition features a scathing new introduction by the author assessing the changing shape of Brisbane, its music, and troubling developments since the return of the state of Queensland to conservative governance. **The Encyclopedia of Popular Music: Rich, Young and Pretty - Swift, Richard** Colin Larkin, 2006.
