The Littlest Angels Easter:

The Littlest Angel's Easter, 2005 **The Little Angel and the Three Wisdoms** Catherine Farrar, 2013-05 The story The Little Angel and the Three Wisdoms begins in heaven and travels to earth ending up back in heaven Follow the adventures of a nervous young trainee angel conscientious but fallible as he travels to earth to shadow Three Wisdoms the three dimensions of the girl Sophia But before he can get back to heaven he misplaces his trumpet Everything starts with a recapitulation of the creation of the universe by a very bored God You see God has got nothing better to do because He has seen it all God loves music especially Bach and Mozart s piano concerto slow movements Meanwhile the little angel still scared and a bit fumbling is tussling with the love affairs of three willful and flighty girls The angel gets back his trumpet and God sends his peace messages to humankind by email with a bit of help from his nerds In the end God is quite pleased with his creation and his erring creatures as they are led astray by their dragons and their free will saved by His forgiving love and the amazing grace of music Catherine Farrar was born and raised in Derry and Donegal Ireland which will forever affect my outlook and language not least my love of music and the music of words For this and much else I owe a great debt to my parents Tom and Agnes Finnegan to my brothers and sister who are still there and to our wonderful three daughters their husbands and their children who I hope will one day read and enjoy these stories Publisher s website <http://sbpra.com>

The Little Angel and Other Stories Leonid Nikolayevich Andreyev, 2021-04-10 In The Little Angel and Other Stories Leonid Nikolayevich Andreyev delves into the realm of human emotions and existential inquiries showcasing his mastery of symbolism and psychological depth Set against the backdrop of early 20th century Russia the collection contains poignant narratives that explore themes of innocence suffering and the quest for redemption Andreyev s literary style is characterized by its lyrical prose and vivid imagery transforming ordinary moments into profound reflections

on the human condition The stories highlight the juxtaposition of light and darkness within the human spirit creating a haunting resonance that lingers with the reader long after the final page Leonid Andreyev a prominent figure in Russian literature and a contemporary of the Symbolist movement was deeply influenced by the tumultuous socio political climate of his time His own experiences with despair and conflict shaped his worldview compelling him to examine the complexities of human nature in his work As a playwright poet and novelist Andreyev brought a unique voice to literature melding personal experience with universal themes which is brilliantly manifested in this collection Recommended for readers interested in exploring the intricacies of the human psyche The Little Angel and Other Stories is a compelling invitation to contemplate the fragile balance between light and darkness Andreyev s ability to evoke empathy and thoughtfulness through his narratives makes this work essential for those who appreciate profound storytelling and a deeper understanding of the human experience
