The Loan Officer's Handbook for Success Steven Driscoll, 2024-02-21 This is the newly updated 2024 edition of The Loan Officer s Handbook for Success I update The Loan Officer s Handbook for Success every year to ensure that you receive this mortgage training manual that reflects what is now required regarding mortgage policies and procedures regulations and laws and loan origination documents for originating and processing mortgage loans for the current year That s always been very important to me Now why you may ask is that important Well the mortgage lending business is quite dynamic with home loan origination policies regulations and laws and required home loan application documents changing all the time As a result there have been so many changes to the home loan origination process within the past 3 to 8 years that if a mortgage training manual has been written or copyrighted prior to 2020 then that manual is outdated I would further add that if a mortgage training manual has been written or copyrighted during or prior to 2016 then that manual is so outdated that in my opinion that mortgage
