Trench, 2002-09 The Parables and Metaphors of Our Lord G. Campbell Morgan, 2010-05-01 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books For sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books Near the end of his ministry in a sermon entitled *But One Thing* Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America No longer did the inscription say *Ne Plus Ultra* nothing more beyond

but Plus Ultra more beyond It is the hope of the G Campbell Morgan Trust that the reprint ing of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture The Morgan Trust Richard L Morgan Howard C Morgan John C Morgan     **Discourses on the parables of our Lord Jesus Christ** William Upjohn,1824

Baines,1875     **Discourses on the Parables of Our Lord Jesus Christ, etc** William UPJOHN,1824     **The Parables of Jesus; A Verse-by-Verse Commentary** David Dorius,2019-02-06 The Parables of Jesus is a verse by verse commentary of Jesus s parables found in the synoptic gospels Each Bible verse is replicated making it easier to compare the scriptures to the comments in the commentary without needing the Bible at one s side In a thorough well organized thought provoking manner the book weaves together historical context linguistic connotations the wisdom of other scholars and the author s own compelling observations The Parables of Jesus answers numerous questions including why did the foolish virgins lack oil for their lamps at midnight and what does this imply for those trying to follow the Savior s path today What does the return of the prodigal son reveal about God s expectant love for the House of Israel and the prospect of hope and healing for each of His children How can the Ten Commandments be reduced to the two commandments the great commandment to love the Lord thy God and the second unto it to love thy neighbor as thyself This is an excellent reference volume for study and a source to teach the parables of Jesus     **The parables of our Lord.
