The Lordship Of Jesus Christ:

the lordship of jesus christ william h. pape,1958 **The Lord Jesus Christ. A Study in the Lordship of Jesus**
Kenneth Hubert CROSBY,1949 *THE LORDSHIP OF JESUS CHRIST* Jeremy Ballard,2024-10-06 In *The Lordship of Jesus Christ* Dr Jeremy Ballard explores the profound theological significance of acknowledging Jesus as Lord over all aspects of life Through biblical examination and practical insights this book emphasizes that Jesus lordship is not just a theological concept but a guiding reality for believers Ballard delves into the depths of Scripture to reveal Jesus divine authority His perfect nature and His role as Savior and King This book is a call to renew one s commitment to Christ by surrendering every part of life to His authority Ballard addresses key issues including the separation of recognizing Jesus as Savior but not fully embracing His lordship and presents a comprehensive biblical response Rich in theological reflection and practical guidance *The Lordship of Jesus Christ* is a must read for those seeking to deepen their faith and live out the transformative power of Jesus rule in their everyday lives *The Lordship of Jesus Christ* John Robert Stevens,1978 *A Reexamination of the Lordship of Jesus Christ: Patronage* Dr. Frank Abissi Jr.,2017-06-05 Everyone wants a savior but not everyone wants a Lord This comment by a friend led author Frank Abissi to delve into the concept of Lordship in ancient times In this work he discusses the practice of patronage particularly in Ancient Rome Examined in detail are the accounts of Ruth and Boaz in the Old Testament and Onesimus and Philemon in the New Testament Finally the author discusses patronage as it relates to the believers relationship with Jesus Christ It is the authors hope that this work helps to deepen the personal relationship of the believer with the Lord and Savior Jesus Christ **The Lordship of Jesus Christ in the New Testament** Albert Nolan,2025-07-01 This book is the first time that the 1963 Phd thesis by Albert Nolan OP from the Angelicum in Rome has been published It deals with a title given to Christ that is problematic for many today It is a title that is used many times in the New Testament and in the liturgy When Albert initiated this research he did so for academic purposes and to further his personal theological knowledge faith seeking understanding and spiritual growth The term lord is still very operative in the liturgy and prayer today The lordship of Christ is a divine function a saving function and it was given to Jesus by God The divine functions are functions of ruling saving giving life and sending the Holy Spirit The term lord is purposeful and meaningful divine service for the benefit of all God s People the entire Church and for all of Creation not to be equated with male controlled interpretations and connotations of our current times The clarification of the concept lord for Jesus has undergone further clarifications since 1963 but the thesis now in book form makes it clear that Albert was in search of theological clarification and understanding and he succeeded in his undertaking Albert s findings make it clear that the title is not patriarchal or sexist and neither exclusive He underlines that the title lord for Jesus Christ is a function and not a gender concern *The Lordship of Christ* is a divine function a saving function and it was given to Jesus by God The divine functions are functions of ruling saving giving life and sending the Holy Spirit it was given to Jesus to Jesus by God The divine

functions are functions of ruling saving giving life and sending the Holy Spirit From the Introduction by Jennifer Slater

The Lordship of Christ Mark D. Michael,2023-04-25 You often hear Christians use the expression Jesus is Lord It is quite a common expression among believers But the modern man is so displaced from lordship that such statements have very little meaning to us When Apostle Paul instructed believers on salvation he urged them to Confess with your mouth the Lord Jesus and believe in your heart that God has raised him from the dead Romans 10 9 This scripture informs us that salvation is predicated upon Jesus becoming your Lord Lordship is not a meaningless word Lordship has great significance and represents a new reality for the born again believer Speaking specifically about the matter of his lordship Jesus said Why do you call me Lord Lord and do not the things I say Luke 6 46 The evidence of walking under lordship are submission and obedience In this book Mark Michael instructs us on how to walk under lordship The lessons will help you define and appreciate the authority of Christ

The Lordship of Jesus Christ Jimmie C. Phoenix,2025-11-21 God s True Word Reversal the Untruths of Men World Why am I writing this book So I will tell you why A Christian novice or a new convert is supposed to hear the minister preach the Gospel of Jesus Christ and the apostles doctrine in a sermon in the New Testament church Sitting on the front pew they are wondering what the preacher is talking about Daniel in the lions den They have no clue what went on in the Old Testament under the law and they should be studying the New Testament on grace Since they only spend about two hours of their time which is very short in church in Sunday school and the church service they may not get the chance to ask about the Sunday school teaching or the sermon that was preached As a new convert they may need an answer of clarity to the question from advanced and experienced Christian brothers or sisters who are knowledgeable about the Bible As a new convert they know that the minister doesn t have much time because of visitors strangers and greetings after the church service Now when the church service is over everybody is ready to go home So as a new convert they have to wait for the next first day of the week Now last week they had the first problem with the sermon and they still do not have clarity from that last sermon As a new convert in the church that makes it hard for them to get a clear understanding From a Bible study I am being taught right The second thing that I

discovered about myself that I need to learn as a Christian is that when I study the Bible I should learn to use exegesis The Scriptures use the English language properly and I learned how to use the eight parts of speech I learned the eight parts of speech and how to apply them when studying a scripture I learned where to apply them when needed to bring out the true meaning of the scripture without using eisegesis The third thing I noticed as a Christian in church is how much time we spend per week worshipping and studying the Word of God following its instruction to use exegesis on the scriptures not eisegesis As Christians we should not use our own interpretation by adding or removing words to fit our own agenda We should verify it by the apostles and Jesus Christ s doctrine Jesus Christ gave the authority only to His apostles to change or add to the Gospel of Jesus Christ As the writer of this book I specifically want to emphasize the three scriptures that I tried daily to live my life by while I am living in this natural body on this planet Earth until my God and Savior Jesus Christ calls me home to be with Him These three scriptures that I try to live my life by in the spirit and in my mind are the words of God and the apostles and Jesus Christ s doctrine The Lord Project John M Masciale,2024-10-23 How does God relate to us what does He want from us and how do we relate to God Those questions and many more are woven throughout the many books of the Bible in the form of histories parables poetry stories and theological discourse John M Masciale draws on his expertise writing software to pore through the intricacies of the Bible in The Lord Project Using computer search algorithms the author ties together the threads of the Bible on a variety of themes searching for significant words around the phrase the Lord as well as the significant words surrounding Father Jesus Christ and Spirit Much more than a topical Bible or a concordance this book compiles verses about God s nature and other essential themes Chapters are organized topically so you can focus on the subjects you care about the most No matter what your education level or profession if you are a student of the Bible want to understand its teachings and move closer to the Lord this book will help you achieve your goals The Lordship of Jesus Christ Cyprian.* Illickamury,1980 **The Fundamentals of Salvation and the Lordship of Jesus Christ** Kenneth Terrell Collins,2010-01-01 The Truth About the Lordship of Christ John F. MacArthur,2012-04-30 Becoming a Christian means being sick of your sin longing for forgiveness and rescue from present evil and future hell and affirming your commitment to the Lordship of Christ to the point where you are willing to forsake everything I ve said it before and I ll say it again it isn t just holding up your hand or walking down an aisle and saying I love Jesus John MacArthur Best selling author and pastor John MacArthur brings his deep knowledge of Scripture to this foundational subject Step by step he walks through the impact of God s sovereignty our submission the characteristics of holy living and our assurance of salvation MacArthur makes the case that the Christian life is full and rich but not easy It requires sacrifice perseverance and transformation in the ongoing process of becoming more like Christ And it is absolutely worth the cost In The Truth About the Lordship of Christ you are taken through the Bible and encounter Deep biblical exposition about Jesus Theological instruction Practical application points and ideas Inspiration to grow in the knowledge of the Lordship of Christ Christ Jesus

is the very reason men and women can enjoy a relationship with God Without him and the sacrifice he made all would be hopeless and meaningless In this book you are challenged to make Christ the center of your life The Truth About Series For decades MacArthur has encouraged countless Christians to develop a deeper understanding of the Bible and a greater respect for God s truth In The Truth About Series he now gathers his landmark teachings about core aspects of the Christian faith in one place These powerful books are designed to give readers a focused experience that centers on God s character and how it applies to their daily walk of faith

Our Joyful Confidence Thomas L. Trevethan, 1981

The Letter to the Philippians G. Walter Hansen, 2009-10-05 In this commentary G Walter Hansen offers rich exposition of the text of Philippians as well as wisdom and maturity in its application In so doing he emphasizes partnership the social and corporate dimensions of community in the progress of the gospel After a select bibliography Hansen s introduction sets forth the historical setting of the church in Philippi the nature and occasion of the letter and a preview of two key themes the gospel of Christ and the community in Christ The commentary itself discusses Philippians in light of these themes considering Paul s greetings reports of gospel ministry imperatives for citizens worthy of the gospel recommendations of two Christ like servants and disclosures of his personal experience Hansen s treatment as a whole is distinctive for the way it draws out and highlights the themes of partnership citizenship and friendship in Paul s Philippian letter With themes and emotions so varied the letter to the Philippians needs a commentator with a sure grasp and a warm heart Hansen writes with admirable clarity and simplicity even when he is unpacking notoriously complex matters D A

Carson from the preface **Patterns of Christological Categorisation** Marvin C. Sanguinetti, 2023-03-28 This book focuses on Christological Monotheism an underexplored area which combines two disciplines of theological appraisal often addressed as separate subjects Christological Monotheism is underexplored in the literature and even more underexplored are interpretations of Christological Monotheism from the perspectives of Christian voices within the Oneness Pentecostal faith tradition Oneness Pentecostalism offers opposing perspectives to what is considered fixed orthodoxy within the Christian faith traditions i e its views differ on doctrines relating to the nature of God and Christ from accepted norms This project seeks to include various Oneness Pentecostal interpretations to commonly held perspectives and explore what such might look like when juxtapose with Christian orthodoxy Moreover it rereads perspectives about the relationship between God and Christ offered by both traditions in the contexts of earlier contributors to Christian history all the way to the Second Temple Jewish periods and includes similar patterns exposed by various groups scholars along this trajectory **The Sunday Magazine** ,1874 **The Foundations of the Creed** Harvey Goodwin, 1899
