salvific story is one of love it is a narrator of love We were made to love and made to be loved We were made in the image of God and God being love denotes we were made to love be loved and desire a relationship with those we love God desires a relationship with us because he loves us The love of the Father is manifested through the deeds of Jesus Christ in the Father s desired to be back in relationship with his creation The love God has for his creation must be dramatize and visualized in how we love one another and relate to those we love God s will need to be done on earth as it is in heaven Henrietta Hunter s Jesus My Valentine explores how interconnected the love we experience in our personal lives i e romantically platonically to our love for God She demonstrates this by outlining how the love and passion that the lover in Songs of Solomon possesses for his love is an extended analogy to God s love for us and how God s people ought to pursue him as their lover Her work calls readers to experience God s love through the way we experience love with others reciprocally the way readers experience love with one another is the same way readers are to experience being in love with God Henrietta introduced the magnitude of love on a horizontal level which is eye level a level reader can grasp and then raise our spiritual conscious to above eye level which is a vertical love Jesus My Valentine argues both are necessary to truly make Jesus our valentine It is when Jesus become our valentine that we come to know true love and the true meaning of true love realizing it is impossible for Jesus to be your valentine without the love of people and the people without Jesus being your valentine is not possible Henrietta s journey within Jesus My Valentine takes us from the historicity of Valentine s Day to the evolution of how we contemporarily celebrate Valentine s Day She matriculates from a historical view of Valentine s Day to a theological view of Valentine s Day moving from an anthropocentric human view of love to a theocentric God view of love Jesus My Valentine calls readers to replicate the wooing they extend on Valentines for their lovers to how readers approach and love on Jesus Henrietta outlines how readers are to love Jesus and make him their valentine in very practical ways If you asked Henrietta how to make Jesus your valentine According to this text she would suggest it is like the way a wife knows her husband and the way a husband gets to know his wife It is a love that comes from a knowledge that is only generated by living together by responding to each other s daily interests and by the needs and by listening and being present     *The Evangelist ,1899*

*The Love of Jesus Christ* Petrus Motaung,2025-11-21 Love of Jesus Christ is a deeply moving and practical exploration of the central tenet of the Christian faith the boundless and transformative love of God as revealed through Jesus Christ Drawing on decades of experience as a pastor and a life of profound personal faith author Petrus Motaung provides a heartfelt guide for believers seeking to fully comprehend and live within this divine affection Core Themes For God so love the world that He gave as an offering His only begotten Son Understanding Divine Love Motaung moves beyond abstract theology to present the love of Christ as a tangible life altering power He uses scripture and personal anecdotes to illustrate how this love acts as the foundation for grace forgiveness and eternal hope The Practice of Love The book is not merely theoretical it is a call to action Motaung challenges readers to translate their belief into daily living showing how the love

they receive from Christ must inform their relationships their obedience and their service to others A Source of Strength in Trial Reflecting the practical focus of his other works Motaung shows how remembering the Lord s love provides the unwavering strength needed to navigate the trials temptations and hardships of contemporary life from family struggles to professional pressures Love of Jesus Christ offers a tender yet compelling message reminding readers that regardless of their circumstances they are sustained by a God who is approachable faithful and unconditionally loving It is an inspiring read for both new seekers and seasoned Christians looking to deepen their relationship with the Savior

**The Family Treasury of Sunday Reading** Andrew Cameron,2021-11-05 Reprint of the original first published in 1867 **Spiritual reading for every day: an introduction to the interior and perfect life, arranged in 53 lessons, made up from holy Scripture, the Devout life [of st. François de Sales] and the Imitation of Christ, by I. Le Masson** ,1879 **The Family treasury of Sunday reading**, ed. by A. Cameron (W. Arnot). [Continued as] **The Christian monthly and family treasury** rev Andrew Cameron,1867

**The Love of Christ** Richard Sibbes,2022-11-21 The Puritan John Dod wrote that this book is so full of heavenly treasure and such lively expressions of the invaluable riches of the love of Christ that it kindles in the heart all heavenly affections unto Jesus Christ Indeed it does And that was very much what Richard Sibbes 1577 1635 was about in all his ministry The Love of Christ is a series of sermons preached on Song of Solomon 4 16 6 3 For Sibbes this Bible book is nothing else but a plain demonstration and setting forth of the love of Christ to his church and of the love of the church to Christ The Song of Solomon does not simply mouth a doctrine its sensuous imagery sings its message It is as if this love story is played on violins The reader is thus brought not simply to understand but to taste and share the delights of the lovers This is precisely what Christ s people need as Sibbes knew it is not enough to be aware of Christ s love we must sense grasp and enjoy it Only then will we truly love the Lord our God with all our hearts That is one reason why so many avoid books like this one they want information and they want it fast But Sibbes intends to affect you to hold your eyes on Jesus that you might develop a stronger appetite for him Such work cannot be fast work but it is profoundly transforming

**Loving the Way Jesus Loves** Philip Ryken,2013-04-23 Most people are familiar with the love chapter of the Bible 1 Corinthians 13 yet Phil Ryken still has something new to say He draws on the earthly life and ministry of Jesus to illustrate Paul s several statements about what love is and isn t These aspects of love are then illuminated chronologically through the story of Christ s advent teaching miracle working sufferings crucifixion death resurrection and ascension Jesus never does anything without love His love is everything the love chapter says that love should be It is patient with sinners and kind to strangers It does not envy or boast but offers itself in humble service It does not insist on its own way but submits to the Father It is able to forgive trust hope and persevere This approach highlights the crucial truth that we are able to love only because Christ first loved us in this particularly profound very real and transformative manner

**The Anglican Pulpit Library** ,1900      **Robots or Rebels: The Dangers of Growing Up a Legalist, and Biblical Motivations for True Holiness** Robert P. Pruitt,2014-01-31 Legalism Almost no one is neutral on the subject Some see a legalist behind every attempt to encourage holiness in the lives of God s people while others fail to see that they have fallen into the clutches of legalistic thinking In the name of calling people to righteousness many add to the Word of God and form a system destined to end in an unbiblical approach to godly living The results of legalism are devastating Many fail to learn to think or at least think biblically but continue to conform to the rules that have been laid before them Robotic in their obedience they never experience the joy of the freedom available in Christ Others rebel not only against the system but against even those teachings that are true to the Scriptures These rebels often leave their families and the church in pursuit of personal pleasure In so doing they find themselves becoming slaves to sin This book is designed to expose legalism and its tragic results and then point the way to a true holiness that is based in biblical motivations Christ is glorified only through truly holy lives
