Developmental Disabilities Bulletin ,2003 **Research Awards Index** ,1981 *Clinical Care for Homeless, Runaway and Refugee Youth* Curren Warf, Grant Charles, 2020-05-05 Adolescent homelessness is a growing problem that results in a variety of health challenges This text is a practical resource designed to promote effective interdisciplinary health and social care interventions targeting adolescents who are homeless or at risk for homelessness It is based on extensive interdisciplinary experience reviews of pertinent research and insights and contributions of leading professionals who are directly involved in the care of these young people Divided into four main sections Section 1 Chapters 1 7 section one is a review of the structure and professional involvement of program models targeting youth experiencing or at risk for homelessness to encourage broader understanding and utilization of principles and practices underlying effective programs and identify replicable components Section 2 Chapters 8 16 Section two is clinically focused with recommendations for working with adolescents and youth experiencing homelessness and interventions for common and significant medical and mental health conditions and substance use disorders Section 3 Chapter 17 Reviews international agreements regarding stabilization and care of refugee youth and families description of experiences of refugee children and youth in developed countries and an outline of conditions from which refugee youth and families have left Section 4 Chapters 18 and 19 Engagement of homeless youth in research and future research directions to address needs of youth experiencing homelessness Written by experts from a variety of disciplines *Clinical Care for Homeless Runaway and Refugee Youth* is a first of its kind text for physicians social workers public health workers and any other individual that works directly with these vulnerable populations **A Community Response to Drug Exposed Infants** ,1990 **Human Behavior in the Social Environment** José B. Ashford, Craig W. LeCroy, Kathy L. Lortie, 2001 In this revision of their ground breaking book the authors offer an even more balanced integrated and applied text In addition the book s multidimensional framework

integration of the biopsychosocial dimensions for assessing social functioning attention to foundation knowledge and diversity and use of case studies to illuminate the applied aspects of HBSE content all combine to give readers an experience that is meaningful and exciting Using a unique multidimensional framework for assessing behavior the authors look at biopsychosocial development across the life span Essentially the framework provides a concrete tool for the reader to assess human behavior from a perspective that truly reflects the values and knowledge base of the social work profession Lively and comprehensive this book succeeds by helping students connect foundation knowledge with practice concerns **Alcohol Health and Research World** ,1987 **Current Index to Journals in Education** ,2000 *Social Sciences Index* ,1999

Lifespan Development Kelvin Seifert,Robert J. Hoffnung,Michele Hoffnung,1997 The authors believe that lifespan psychology is relevant to current career and social issues that all adults face It is especially relevant to those who will work or live with children adolescents or the elderly Their goal in writing this book is to present development at every stage of lifespan from a growth perspective Pref The authors wrote this new text to enable students to find themselves and the people they know in the story of lifespan development It is a story of how we grow and change throughout our lives and of the continuities across every stage and domain of life Back cover
