compassion that lives in each of our hearts It is our heart's innate capacity to love that is the true source of all healing When we tap into that power we can become the love we seek Complete with stories exercises journal prompts and other practical tools How to Be the Love You Seek offers a healing roadmap for all generations of cycle breakers *Saint Aelred of Rievaulx* Paul Diemer,1997 **Words from the Water's Edge** Llewellyn Vaughan-Lee,2025-11-06 Words from the Water's Edge The Mystical Writings of Llewellyn Vaughan Lee is a vast and comprehensive anthology of a lifetime's work as well as a deeply personal telling of the author's own spiritual journey Spanning more than three decades of teachings this book of hand-picked sayings from selected writings interviews and some never before published works shares wisdom from Vaughan Lee's three distinct and interrelated focus areas Sufism oneness and the interdependence of life and Spiritual Ecology a call to know and relate to the Earth as a sacred being Throughout Vaughan Lee seamlessly weaves in the story of one soul's journey including the sorrows ecstasy and ultimately the love at the foundation of his life and path Whether through personal reflections or general teachings the book compels readers to embrace the Original Instructions that can align humanity at this time of cultural and ecological upheaval Relevant to the committed spiritual seeker as well as to anyone searching for meaning Words from the Water's Edge provides inspiration and guidance for how to live in and beyond these broken times Specific chapters explore topics such as the transformative power of love on the spiritual path ways in which the Earth grows and changes in harmony with human consciousness and how we can collectively respond to the Earth's need for relationships of care amidst the current climate crisis For those familiar with Vaughan Lee's recent work they will recognize a tone of sorrowful acknowledgement of humanity's missed opportunities for cultural regeneration and spiritual evolution However Words from the Water's Edge includes timely guidance on how to take responsibility for a future grounded in spiritual awareness and in harmony with planetary forces beyond even the Earth Vaughan Lee has always been a master of sharing truths relevant to many people at many times and this book is no exception At its heart however is a deeply personal story of devotion to the Real that has unfurled itself throughout one mystic's lifetime of service These sayings leave traces of a lifetime walking between the worlds holding a thread that has taken me into the beyond of the beyond as well as back to the simple bliss of my garden the red-tailed hawk sitting on a branch outside my window And the ocean remains just over the hill as wild and endless as the empty spaces in the heart and the silence that has always called to me Llewellyn Vaughan Lee
