Intimate Relationships Ralph Erber, Maureen Wang Erber, 2017-09-05 *Intimate Relationships* covers both classic and current material in a concise yet thorough and rigorous manner. Chapters range from attraction to love attachment to jealousy, sexuality to conflict, all written in a warm, personal and engaging voice. Topics are viewed from an interdisciplinary perspective, firmly grounded in research. Examples and stories from everyday life lead into each chapter to stir a student's engagement with the material and critical thinking prompts throughout the text aid his or her reflection on the issues and theories presented. Each chapter is organized around major relationship issues and relevant theories in addition to a critical evaluation of the research. When appropriate, the authors discuss and evaluate popular ideas about intimate relationships in the context of scientific research. This Third Edition has been thoroughly updated and revised to include the latest findings and topics in relationship science, including the role of the Internet in today's relationships. Students will benefit from a revised chapter on sexuality that reflects current views on sexual orientation and sexual pathways, as well as a forward-looking chapter on the evolution and diversity of relationships in the 21st century. To support student learning, the new edition includes flashcards, learning objectives, and outlines for each chapter. A companion website accessible at [www.routledge.com/cw/erber](http://www.routledge.com/cw/erber) provides instructors with PowerPoint presentations and a test bank, and provides students with flashcards of key terms as well as learning outcomes and chapter outlines for each chapter. **Adolescent Boys** Niobe Way, Judy Y. Chu, 2004 *A look at diverse boys across American cultures* *The Other Significant Others* Rhaina Cohen, 2024-02-13 **NATIONAL BESTSELLER AN INDIE BESTSELLER** *The Other Significant Others* fundamentally it's become my new Bible. Trevor Noah: An arresting work of compassion and insight. Lori Gottlieb: I loved and recommend *The Other Significant Others* to everybody. Ezra Klein: I feel like I've been waiting for this book for my entire adult life. Anne Helen Petersen: Why do we assume romantic relationships are more important than friendships? What do we lose when we expect a spouse to meet all our needs? And what can we learn about commitment, love, and family from people who put deep friendship at the center of their lives? In *The Other Significant Others*, NPR's Rhaina Cohen invites us into the lives of people who have defied convention by choosing a friend as a life partner. These are friends who are home co-owners, co-parents, or each other's caregivers. Their riveting stories unsettle widespread assumptions about relationships, including the idea that sex is a defining feature of partnership and that people who raise kids together should be in a romantic relationship. Platonic partners from different walks of life, spanning age and religion, gender and sexuality, and more, reveal how freeing and challenging it can be to embrace a relationship model that society doesn't recognize. And they show that orienting your world around friends isn't limited to daydreams and episodes of *The Golden Girls*, but actually possible in real life. Based on years of original reporting and striking social science research, Cohen argues that we undermine romantic relationships by expecting too much of them while we diminish friendships by expecting too little of them. She traces how, throughout history, our society hasn't always

fixated on marriage as the greatest source of meaning or even love At a time when many Americans are spending large stretches of their lives single widowed or divorced or feeling the effects of the loneliness epidemic Cohen insists that we recognize the many forms of profound connection that can anchor our lives A rousing and incisive book *The Other Significant Others* challenges us to ask what we want from our relationships not just what we re supposed to want and transforms how we define a fulfilling life

*The Handbook of Sexuality in Close Relationships* John H. Harvey,Amy Wenzel,Susan Sprecher,2004-04-26 The editor s bring together major scholars from the diversity of fields working on close relationship topics to examine past contributions and new directions in sexuality The emphasis is on theoretical integration and stimulation methodological r
