**African-American Odyssey** Albert S. Broussard, 1998 This book illuminates the professional career and private lives of J McCants Stewart a Reconstruction era lawyer minister politician and political activist and his descendants over three generations providing an epic account of an African American family in America Adapted from book jacket

### **Education**

**for Upward Mobility** Michael J. Petrilli, 2015-12-08 This book seeks answers to a fundamental question perhaps one of the most important questions in America today How can we help children born into poverty transcend their disadvantages and enter the middle class as adults And in particular what role can our schools play There's little doubt that education and opportunity are tightly joined in the twenty first century economy Almost every week brings a new study demonstrating that highly skilled workers are being rewarded with stronger pay and excellent working conditions while Americans with few skills are struggling mightily Expanding educational achievement then appears to be a clear route to expanding economic opportunity Yet much of our public discourse ends there Of course more young Americans need better education in order to succeed But what kind of education Is the goal college for all What do we mean by college Do our young people mostly need a strong foundation in academics What about so called non cognitive skills Should technical education make a comeback Education for Upward Mobility provides fresh perspectives and concrete ideas for policymakers at every level of government for leaders and policy analysts in education reform organizations in the states and in Washington for philanthropists and membership associations and for local superintendents and school board members It combines the latest research evidence on relevant topics with in depth explorations of promising practices on the ground in real places achieving real successes

*The Oxford Handbook of Early American Literature* Kevin J. Hayes, 2008-02-06 The Oxford Handbook of Early American Literature is a major new reference work that provides the best single volume source of original scholarship on early American literature Comprised of twenty seven chapters written by experts in their fields this work presents an authoritative in depth and up to date assessment of a crucial area within literary studies Organized primarily in terms of genre the chapters include original research on key concepts as well as analysis of interesting texts from throughout colonial America Separate chapters are devoted to literary genres of great importance at the time of their composition that have been neglected in recent decades such as histories promotion literature and scientific writing New interpretations are offered on the works of Benjamin Franklin Jonathan Edwards and Dr Alexander Hamilton while lesser known figures are also brought to light Newly vital areas like print culture and natural history are given full treatment As with other Oxford Handbooks the contributors cover the field in a comprehensive yet accessible way that is suitable for those wishing to gain a good working

knowledge of an area of study and where it's headed

**The African American Odyssey** Library of Congress, 1998 This document explores the exhibition The African American Odyssey showcase the incomparable African American collections of the Library of Congress Displaying more than 240 items including books government documents manuscripts maps musical scores plays films and recordings

**The African-American Odyssey Media Research Update** Board of Trustees Professor of African American Studies and Professor of History Darlene Clark Hine, Darlene Clark Hine, William C. Hine, Stanley Harrold, 2004-02 For one two semester undergraduate courses in African American History African American Studies and United States History The Media and Research update edition includes a new CD ROM bound into every book that includes over 150 primary source documents in African American history each accompanied by essay questions In addition the CD ROM also contains media rich activities that explore key episodes and developments Finally free access to Research Navigator is included in the Evaluating Online resources booklet that is packaged with all new copies of the text With it students can access this powerful research tool with one site Written by leading scholars The African American Odyssey is a clear and comprehensive narrative of African American history from its African roots to the 21st century This text places African American history at the center and in the context of American History

**Orson Welles and the Unfinished RKO Projects** Marguerite H Rippy, 2009-04-21 Orson Welles and the Unfinished RKO Projects A Postmodern Perspective traces the impact of legendary director Orson Welles on contemporary mass media entertainment and suggests that ironically we can see Welles's performance genealogy most clearly in his unfinished RKO projects Author Marguerite H Rippy provides the first in depth examination of early film and radio projects shelved by RKO or by Welles himself While previous studies of Welles largely fall into the categories of biography or modernist film studies this book extends the understanding of Welles via postmodern narrative theory and performance analysis weaving his work into the cultural and commercial background of its production By identifying the RKO years as a critical moment in performance history Rippy synthesizes scholarship that until now has been scattered among film studies narrative theory feminist critique American studies and biography Building a bridge between auteur and postmodern theories Orson Welles and the Unfinished RKO Projects offers a fresh look at Welles in his full complexity Rippy trains a postmodern lens on Welles's early projects and reveals four emerging narrative modes that came to define his work deconstructions of the first person singular adaptations of classic texts for mass media explorations of the self via primitivism and examinations of the line between reality and fiction These four narrative styles would greatly influence the development of modern mass media entertainment Rippy finds Welles's legacy alive and well in today's mockumentaries and reality television It was in early unfinished projects where Welles first toyed with fact and fiction and the pleasure of this interplay still resonates with contemporary culture As Rippy suggests the logical conclusion of Welles's career long exploration of truthiness lies in the laughs of fake news shows Offering an exciting glimpse of a master early in his career Orson Welles and the Unfinished RKO Projects documents Welles's development as a

storyteller who would shape culture for decades to come
