#### Specific questions

##### **Question 1**

This question was relatively straightforward. The opening debit balance of \$800 was the prepayment brought forward from last year. The payment made during the year (\$2100) included a prepayment of six months relating to the next year. The charge for the year was, therefore \$800 plus half of \$2100 (\$1050), making a total of \$1850. This was key B. Many candidates took the charge for the year as \$2100, key D.
