Integrated Accounting for Windows Dale H. Klooster,Warren W. Allen,Warren Allen,2004 Quite possibly the easiest to understand product on the

market Klooster and Allen's Integrated Accounting For Windows teaches students all the aspects of computerized accounting and the operating procedures for all Windows based programs at the same time. The software was specifically designed to be very similar to the commercial software packages used in business which will help students hit the ground running when they get that first real job. Plus because the software is introduced gradually throughout the book students won't become overwhelmed with the program. The result: Students will be able to concentrate more on the accounting principles being taught.
