The Astors

Harvey O'Connor

The Astors:

The Astors Harvey O'Connor, 2024-04-08 The Astors is a comprehensive biography of one of the most prominent and influential families in American history. The Astors were a wealthy and powerful family who made their fortune in the fur trade and real estate and went on to become one of the most influential families in New York City and beyond. This book traces the history of the Astor family from its humble beginnings in Germany to its rise to prominence in America and explores the lives of some of its most famous members including John Jacob Astor, William Waldorf Astor and Brooke Astor. It delves into their personal lives, business ventures and philanthropic endeavors and sheds light on the family's role in shaping the cultural and economic landscape of America. Harvey O'Connor's meticulously researched and engagingly written book which includes numerous family photos and a thorough genealogy offers a fascinating glimpse into the lives of one of America's most iconic families. It is a must-read for anyone interested in American history, business and culture. Also available in audiobook format.

When the Astors Owned New York Justin Kaplan, 2006-06-01 In this marvelous anecdotal history, Justin Kaplan, Pulitzer Prize winning biographer of Mark Twain, vividly brings to life a glittering bygone age. Endowed with the largest private fortunes of their day, cousins John Jacob Astor IV and William Waldorf Astor vied for primacy in New York society, producing the grandest hotels ever seen in a marriage of ostentation and efficiency that transformed American social behavior. Kaplan exposes it all in exquisite detail, taking readers from the 1890s to the Roaring Twenties in a combination of biography, history, architectural appreciation and pure reading pleasure.

The Astors Virginia Cowles, 2017-07-03 The Astors whose immense fortune came from furs, ships and real estate, whose mansions bejewelled Fifth Avenue, Newport and England, who became leaders first in America then in Britain. Discusses the members of five generations of the Astor family from John Jacob Astor's arrival in America in 1783 to the present.

The Astors Lucy Kavaler, 1966 A history of the famous family whose founder in America, John Jacob Astor, became our first millionaire.

Life of Jay Gould Murat Halstead, J. Frank Beale, 1892 This biography heaps praise on the railroad mogul, Jay Gould. It also includes brief biographies of some of his well-known business associates.

Munsey's Weekly, 1894 **New York Supreme Court**, 1898 **Famous American Fortunes and the Men who Have Made Them** Laura Carter Holloway, 1884 **The Astors (Classic Reprint)** Harvey O'Connor, 2018-10-09 Excerpt from *The Astors*: I am broken up; it is time for me to be out of the way. He had complained many years before but needlessly; he lingered on. Now the man who had bargained shrewdly with Washington Irving for immortality was giving up the struggle for life. The greatest merchant of his time, whose ships had dropped anchor in Smyrna and the Pearl River in Valparaiso and Honolulu, the first of the American business imperialists who had dreamed of a private Pacific empire of his own, stretching from Russia to Spanish America, the daring monopolist whose cunning brain had fashioned the American Fur Company with tools that Rockefeller was to pick up half a century later, the capitalist whose fortune far outstripped any rivals in the New World, waited impassively for the final heartbeat.
