Greenberg, 1984-08-21 Martin Alan Greenberg explores the origins of the two major types of citizen volunteer police auxiliary and reserve and examines the history and current practices of volunteer policing The heart of the book deals with the history of New York City s volunteer police and the inner workings of the New York City Auxiliary Police a subject the author knows intimately from his twelve years experience as a participant observer Greenberg analyzes and evaluates current issues in volunteer policing Based on his findings he projects increased community involvement in volunteer police forces **Crime Prevention in the Urban Community** Kōichi Miyazawa, Setsuo Miyazawa, 1995-04-30 One of today s most pressing issues in criminology and crime prevention is the problem of crime in our cities and towns and its prevention The topic of crime prevention in the Urban Community was discussed at the 47th International Course of the International Society for Criminology ISC held at Chuo University Tokyo It was the very first time such an ISC meeting was held in Asia and this meant that finally a relatively large number of Japanese and other Asian participants were able to express their views on criminal policy and crime prevention in urban centres all over the world Crime in urban communities is not an exclusively Western phenomenon but it is also a considerable problem in other parts of the world This makes an interchange of ideas between Western Eastern and Third World criminologists particularly important General characteristics of the urban communities that suffer from a high crime rate are ethnic and racial tensions a mix of old housing areas and new business districts a prevailing sense of anonymity slums and juvenile delinquency The existence of these general characteristics besides mutual differences makes cooperation in the crime prevention sphere definitely worth the effort *Singapore Criminal Laws, Regulations and Procedures Handbook: Strategic Information, Regulations, Procedures* IBP, Inc., 2015-06 *Singapore Criminal Laws Regulations and Procedures Handbook Strategic Information Regulations Procedures* **Management Information Service**, 1952 *Annual Report of the Police Department of the City and County of San Francisco, California* San Francisco (Calif.).
