The Barnabas Factor:

The Barnabas Factor A. Johnson, Aubrey Johnson, 2005-04 Everybody loves to be encouraged a pat on the back a helping hand a kind word Not everyone can be a great preacher or Bible class teacher But everyone can be an encourager and that includes you It doesn't matter if you are young or old a woman or a man rich or poor God has already given you everything you need to be an encourager all you have to do is put to use those abilities you already have You too can become a Barnabas a Son of Encouragement All you have to do is practice being an encourager You will be absolutely astounded at what it will do for other people and most of all for you *The Barnabas Factor* Aubrey Johnson, 2004 [The Barnabas Factor](#) Derek Wood, 1988 *The Barnabas Factor* Derek Wood, 1991-12-12 Derek Wood transports readers to the Canwell Park Church where the biblical example of Barnabas has come to life among the congregation Here is a valuable examination of the power of encouragement IVP United Kingdom edition 159 pages paper [The Barnabas Factors](#) J. D. Payne, 2012-04-01 *The Barnabas Factors Eight Essential Practices of Church Planting Team Members* by author and professor J D Payne describes how Barnabas should be considered as a model for contemporary church planting team members Each chapter of this work addresses a particular Barnabas Factor a healthy aspect of Barnabas life that assisted in Kingdom expansion The eight practices include Walks with the Lord Maintains an Outstanding Character Serves the Local Church Remains Faithful to the Call Shares the Gospel Regularly Raises Up Leaders Encourages with Speech and Actions Responds Appropriately to Conflict The book also includes the Barnabas Factors Standard of Excellence Guide for Team Development to assist leaders in assessing potential team members What others are saying about The Barnabas Factors This is a very straightforward non glitzy look at what the Bible has to say about team ministry in church planting Ed Stetzer author of *Planting Missional Churches* taken from the Foreword Given the risky and pioneering nature of church planting it is essential to develop healthy relationships amongst members of the founding team Here J D Payne gives us a biblical model of engendering healthy team dynamics by looking to the life and ministry of Barnabas This is a book for those of us who want to keep a joyful camaraderie whilst advancing the kingdom Alan Hirsch author of *The Forgotten Ways* and *The Shaping of Things to Come* Founding director of Shapevine.com If there is a priority need today in church planting it is a need for the church planting team members first to be people of exemplary Christ like character Payne's book addresses this issue in a clear and concise manner R Bruce Carlton author of *Acts 29* Professor of Cross Cultural Ministry Oklahoma Baptist University *The Barnabas Factors Eight Essential Practices of Church Planting Team Members* is a unique and much needed book for anyone interested in church planting I strongly believe it is a must read for newly appointed missionaries and just as essential for veteran missionaries This book powerfully sets forth the need for godly personal characteristics that are vital for successful church planting teams The diagnostic tool at the conclusion of the book will be a great help in evaluating potential team members Charles Brock President Church Growth International author of *Indigenous Church Planting A Practical*

Journey I highly recommend this book From end to end it is practical it s the relationship stuff the personal qualities of team members and the realistic nuts and bolts of ministry that are so ultimately determinative to fruitfulness in the church planting and team contexts Payne brings great clarity as to what is a missionary call And for no extra charge there is a powerful tool at the end pulling all the principles together to help you decide who to take onto your team and who not to A must read for all church planters Daniel Sinclair author of A Vision of the Possible Pioneer Church Planting in Teams The Barnabas Factor Hal Boehm,2008 **Apostolic Church Planting** J. D. Payne,2015-10-22 Church planting is not just about gathering new communities of people who are already Christians Planting churches flows naturally out of making disciples In this concise guide pastor J D Payne explains the process and stages of church planting with biblical foundations and practical steps for planting teams both domestically and internationally **Breaching the Comfort Zone - International Edition** Robert Mearns,2011 **Discovering Church Planting** J. D. Payne,2009-08-04 J D Payne explores the biblical historical and missiological principles of global church planting and suggests ways that readers can apply international church planting practices to their own contexts **Grace in Galatia** Ben Witherington,1998-06-29 Grace in Galatia is an innovative socio rhetorical study of Paul s most polemical letter Ben Witherington breaks new ground by analyzing the whole of Galatians as a deliberative discourse meant to forestall the Galatians from submitting to circumcision and the Jewish law The commentary features the latest discussion of major problems in Pauline studies including Paul s view of the law and the relationship between the historical data in Galatians and in Acts Yet the narrative character of Witherington s work allows it to remain exceedingly accessible The volume also includes sections following the major divisions of the commentary that point to the relevance of the text for believers today making Grace in Galatia of special value to pastors and general readers as well as students and scholars *Divine Desperation* John Hurston,2003 What difference can I make in this world John Hurston shatters the notion that one person can t effect change in a nation or the world Join him in the jungles of Africa the cities of Korea and the ravages of Vietnam and experience divine desperation In a practical format ideal for personal or group study this hero of the faith the man whom Dr Cho calls his mentor shares timeless insights that will equip you to do more for God than you ever dreamed possible You can make a difference John Hurston s memoir should be required reading for every Christian who is committed to evangelism and prayer Ted Haggard Pastor New Life Church Colorado Springs John Hurston s ministry alongside Dr Cho is legendary this book is birthed from the heart of one of God s choice servants Tommy Barnett Pastor Phoenix First Assembly of God This book will have you on the edge of your seat and perhaps on your knees Don t miss your opportunity to gain insight from the man who mentored the pastor of the world s largest church Marilyn Hickey President Marilyn Hickey Ministries This book will ignite you with the Spirit s fire of holy desire and will change you forever Billy Joe Daugherty Pastor Victory Christian Center Tulsa About the author John Hurston served with distinction as an Assemblies of God missionary for more than thirty years He was knighted by Liberia s President Tubman and his mission
