Published by Currier & Ives, 127 Broadway, New York.

The Assassination Of Lincoln

Brendan January

The Assassination Of Lincoln:

The Assassination of Abraham Lincoln Robert E. Jakoubek, 1993 Discusses the day Lincoln was shot and the weeks following his assassination including the manhunt for John Wilkes Booth and his co conspirators **The Assassination of Lincoln** Lloyd Lewis, 2001-02 This unique book first published in the 1920 s was the first and remains perhaps the best telling of the tale of Lincoln s death and the events immediately following **Blood on the Moon** Edward Steers, 2005-10-21 Winner of the 2001 The Lincoln Group of New York s Award of Achievement A History Book Club Selection The assassination of Abraham Lincoln is usually told as a tale of a lone deranged actor who struck from a twisted lust for revenge This is not only too simple an explanation Blood on the Moon reveals that it is completely wrong John Wilkes Booth was neither mad nor alone in his act of murder He received the help of many not the least of whom was Dr Samuel Alexander Mudd the Charles County physician who has been portrayed as the innocent victim of a vengeful government Booth was also aided by the Confederate leadership in Richmond As he made his plans to strike at Lincoln Booth was in contact with key members of the Confederate underground and after the assassination these same forces used all of their resources to attempt his escape Noted Lincoln authority Edward Steers Jr introduces the cast of characters in this ill fated drama he explores why they were so willing to help pull the trigger and corrects the many misconceptions surrounding this defining moment that changed American history After completing an acclaimed career as a research scientist at the National Institutes of Health Edward Steers Jr has turned his research skills to the Lincoln assassination He is the author of several books about the president including The Trial He lives in Berkeley Springs West Virginia **The Assassination of Abraham Lincoln** Kay Melchisedech Olson, 2005 Describes the assassination of Abraham Lincoln and the escape and death of John Wilkes Booth in graphic novel format *President Lincoln Assassinated!!: The Firsthand Story of the Murder, Manhunt, Tr* , 2015-02-24 For the 150th anniversary Harold Holzer The Civil War in 150 Objects presents an unprecedented firsthand chronicle of one of the most pivotal moments in American history On April 14 1865 Good Friday the Civil War claimed its ultimate sacrifice President Lincoln Assassinated recaptures the dramatic immediacy of Lincoln s assassination the hunt for the conspirators and their military trial and the nation s mourning for the martyred president The fateful story is told in more than eighty original documents eyewitness reports medical records trial transcripts newspaper articles speeches letters diary entries and poems by more than seventy five participants and observers including the assassin John Wilkes Booth and Boston Corbett the soldier who shot him Courtroom testimony exposes the intricacies of the plot to kill the president eulogies by Ralph Waldo Emerson Wendell Phillips and Benjamin Disraeli and poetry by Walt Whitman Herman Melville and Julia Ward Howe give eloquent voice to grief two emotional speeches by Frederick Douglass one of them never before published reveal his evolving perspective on Lincoln s legacy Together these voices combine to reveal the full panorama of one the most shocking and tragic events in our history *The Death of Lincoln* LeRoy Hayman, 1968 An

account of the events leading to the assassination of Lincoln as well as the arrest trial and punishment of the accused **The Assassination of Lincoln** E. W. Coggeshall,1924 **The Assassination of Abraham Lincoln** Osborn H. Oldroyd,1901 **An Inquiry Into the Assassination of Abraham Lincoln** Emmett McLoughlin,1963 **The Assassination of Lincoln (Classic Reprint)** E. W. Coggeshall,2015-07-16 Excerpt from The Assassination of Lincoln When it was known in February 1861 that a conspiracy to assassinate the president elect on his way to the capital had been discovered and thwarted the peril of the nation was the thought uppermost in all minds When on the 14th of April 1865 the news ashed over the land that conspiracy had compassed the death of Abraham Lincoln it was grief for the man that filled all hearts for in those four intervening years his countrymen had learned to know to love and to trust him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **THE ASSASSINATION OF ABRAHAM LINCOLN** Brendan January,1997 Chronicles the events leading to the murder of President Lincoln by John Wilkes Booth in April 1865 **Blood on the Moon** ,2005 Winner of the 2001 The Lincoln Group of New York's Award of Achievement A History Book Club Selection The assassination of Abraham Lincoln is usually told as a tale of a lone deranged actor who struck from a twisted lust for revenge This is not only too simple an explanation Blood on the Moon reveals that it is completely wrong John Wilkes Booth was neither mad nor alone in his act of murder He received the help of many not the least of whom was Dr Samuel Alexander Mudd the Charles County physician who has been portrayed as the innocent victim of a vengeful government Booth was also aided by the Confederate leadership in Richmond As he made his plans to strike at Lincoln Booth was in contact with key members of the Confederate underground and after the assassination these same forces used all of their resources to attempt his escape Noted Lincoln authority Edward Steers Jr introduces the cast of characters in this ill fated drama he explores why they were so willing to help pull the trigger and corrects the many misconceptions surrounding this defining moment that changed American history After completing an acclaimed career as a research scientist at the National Institutes of Health Edward Steers Jr has turned his research skills to the Lincoln assassination He is the author of several books about the president including The Trial He lives in Berkeley Springs West Virginia **The Assassination of Abraham Lincoln and Its Expiation** David Miller DeWitt,1909 **The Assassination of Abraham Lincoln** Michael Burgan,2004-09 Describes the events leading up to and after the assassination of Abraham Lincoln **The Assassination of President Lincoln and the Trial of the Conspirators ...** Benn Pitman,2006 **Lincoln's Assassination** Edward Steers,2025-04-21 For 150 years the assassination of Abraham Lincoln has fascinated the American

people Relatively few academic historians however have devoted study to it viewing the murder as a side note tied to neither the Civil War nor Reconstruction Over time the traditional story of the assassination has become littered with myths from the innocence of Mary Surratt and Samuel Mudd to John Wilkes Booth s escape to Oklahoma or India where he died by suicide several years later In this succinct volume Edward Steers Jr sets the record straight expertly analyzing the historical evidence to explain Lincoln s assassination The decision to kill President Lincoln Steers shows was an afterthought John Wilkes Booth s original plan involved capturing Lincoln delivering him to the Confederate leadership in Richmond and using him as a bargaining chip to exchange for southern soldiers being held in Union prison camps Only after Robert E Lee surrendered the Army of Northern Virginia and Richmond fell to Union forces did Booth change his plan from capture to murder As Steers explains public perception about Lincoln s death has been shaped by limited but popular histories that assert alternately that Secretary of War Edwin Stanton engineered the assassination or that John Wilkes Booth was a mad actor fueled by delusional revenge In his detailed chronicle of the planning and execution of Booth s plot Steers demonstrates that neither Stanton nor anyone else in Lincoln s sphere of political confidants participated in Lincoln s death and Booth remained a fully rational person whose original plan to capture Lincoln was both reasonable and capable of success He also implicates both Mary Surratt and Samuel Mudd as well as other conspirators clarifying their parts in the scheme At the heart of Lincoln s assassination Steers reveals lies the institution of slavery Lincoln s move toward ending slavery and his unwillingness to compromise on emancipation spurred the white supremacist Booth and ultimately resulted in the president s untimely death With concise chapters and inviting prose this brief volume will prove essential for anyone seeking a straightforward authoritative analysis of one of the most dramatic events in American history

Beware the People Weeping Thomas Reed Turner, 1991-09-01 The first killing of a president in American history the assassination of Abraham Lincoln shook the nation to its foundations with grief and rage With one bullet the brief period of good feeling at the end of the Civil War was over By 1867 the initial belief that the Confederate leadership had engineered the assassination had given way to speculation that Andrew Johnson had been behind the conspiracy This was followed by bitter attacks on the military trial and on the defense of its two most prominent victims Mrs Surratt and Dr Mudd Most recently there have been attempts to show that it was the radical faction of Lincoln s own party that arranged his death In *Beware the People Weeping Thomas Reed Turner* pushes away the elaborate conspiracy theories that have always surrounded Lincoln s death and uncovers exactly what can be known about the murder and its aftermath Finding that many historians have worked in ignorance of the context of the events or distorted the evidence to suit their own ideas about political assassination Turner looks instead to public opinion of the time as reflected in newspapers diaries letters sermons and transcripts of the pretrial investigation and the trial itself to understand how and why the public and the military reacted as they did Probing the aftermath of the assassination Turner tells of the spontaneous outpouring of rage and despair the reaction in the defeated South the almost

universal conviction that the South was behind the plot the actions of the authorities in tracking the conspirators and the trials of the suspects including that of John Surratt in 1867 A close look at these confused events and an untangling of the controversies that arose in their wake Beware the People Weeping strips away more than a century of speculation to retell with hard facts the history of Abraham Lincoln s death Avenging Lincoln's Death Thomas J. Reed,2015-11-12 Avenging Lincoln s Death The Trial of John Wilkes Booth s Accomplices is an examination of the 1865 military commission trial of eight alleged accomplices of John Wilkes Booth the assassin who murdered President Abraham Lincoln The book analyzes the trial transcript and other relevant evidence relating to the guilt of Booth s alleged accomplices as well as a careful application of basic constitutional law principles to the jurisdiction of the military commission and the fundamental fairness of the trial The author found that the military commission trial was unconstitutional and unfair because Congress never authorized trial by military commission for these eight civilians President Johnson exceeded the scope of his authority as commander in chief by ordering the accomplices to be tried by military commission He failed to follow the Habeas Corpus Act of 1863 that required him to turn over the alleged accomplices to civilian authorities for prosecution The accomplices were convicted on perjured testimony and the Government was allowed to drag in unrelated evidence of Confederate atrocities to poison the minds of the panel of officers **The Assassination of Lincoln...** E. W. Coggeshall,2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The Assassination of Abraham Lincoln Caleb Jenner Stephens,2015-04-09 On April 14 1865 America suffered the loss of one of its greatest leaders After General s Lee s surrender at Appomattox a few days earlier the Civil War was coming to an end and Washington D C was in a celebratory mood The city s jovial spirit would soon be changed by the actions of John Wilkes Booth a man driven by ambition and a desire to avenge the South In an elaborate plot devised to take place at Ford s Theatre Booth became the first man to murder a President of the United States This brief examination of Lincoln s assassination highlights every major detail from John Wilkes Booth s plot to his escape through Maryland and Virginia and the eventual fates of the other involved conspirators The Assassination of Abraham Lincoln provides a concise retelling of this American tragedy with the assistance of images illustrations and trivia sidebars

The Assassination Of Lincoln Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be much more evident than ever. They have the capacity to inspire, provoke, and ignite change.
