The days of my life

Mrs. Oliphant, 2022-12-21 *The Days of My Life: An Autobiography* by Mrs. Oliphant is a poignant narrative that explores themes of identity, displacement, and familial duty. The story is set in the English countryside where the protagonist, Hester Southcote, faces the upheaval of her life when a stranger, Edgar Southcote, arrives claiming to be the rightful heir to her family estate, Cottiswoode. The narrative unfolds through Hester's perspective, capturing her initial disbelief and subsequent acceptance of Edgar's claim, which is supported by a man named Saville. Hester's father, Mr. Howard Southcote, is portrayed as a proud and reserved man deeply affected by the potential loss of his ancestral home. The story delves into the emotional turmoil experienced by both Hester and her father as they prepare to leave Cottiswoode, a place imbued with personal and familial history. Hester's internal conflict is further complicated by her father's past, particularly his unresolved feelings about Hester's mother, whom he believed married him out of pity. This belief has cast a long shadow over his life, influencing his relationships and his perception of love and compassion. As the family prepares to leave their home, Hester reflects on her father's struggles and the legacy of misunderstanding and pride that has shaped their lives. The narrative is rich with emotional depth, capturing the essence of a young woman's coming of age amidst the challenges of change and the search for identity.

The Selected Works of Margaret Oliphant: The autobiography and letters of Mrs. M. O. W. Oliphant (1899) Mrs. Oliphant (Margaret), 2011 Margaret Oliphant Wilson Oliphant 1828-97 had a wide-ranging and prolific literary career that spanned almost fifty years. She wrote some 98 novels, over fifty short stories, twenty-five works of non-fiction, including biographies and historic guides to European cities, and more than three hundred periodical articles. As the self-styled 'general utility woman' for Blackwood's Edinburgh Magazine, often contributing both fiction and literary reviews to the same issue, she became a major critical voice for her generation. Her influence, usually cast on the side of the common reader, was such that it provoked fellow novelists such as Anthony Trollope, Henry James, and Thomas Hardy to savage fictional portraits by way of retaliation.
