The Baha'i Faith: A Guide For The Perplexed Robert H. Stockman, 2012-12-27 Clear introduction to the Bah vision and development of its community **The Rhetoric of Cicero's Pro Cluentio** W.J.T. Kirby, 1990-01-01 The Pro Cluentio is Cicero's longest extant speech In antiquity it was particularly esteemed by the orator himself as well as others Quintilian cites it more than any other oration of Cicero But its very length and the complexity of the legal situation have deterred many readers from giving it the attention it deserves The Rhetoric of Cicero's Pro Cluentio is the first full length discursive treatment of the speech as a whole Each chapter has an introductory section on the rhetorical problem at hand including valuable general information on ancient rhetorical theory and practice The eclectic critical method beginning from an Aristotelian Quintilianic basis advances some new theoretical models for the understanding of invention in Roman oratory
