*Provisional Authority* Beatrice Jauregui, 2016-11-28

This ethnography of everyday policing practices in Lucknow, a major Indian metropolis, demonstrates how police authority and its assumed afflictions are refracted through a multi-dimensional field of social relationships in which power positions and moral boundaries are continually contested and shifting. This field generates among police what legal anthropologist Beatrice Jauregui calls provisional authority: a fractured and contingent form of capability and subjectivity that is not always immediately visible or comprehensible. Provisional authority may provide a social good but with questionable and transmutable efficacy or legitimacy. Drawing on scholarship from anthropology, legal history, sociology, and political theory, Jauregui considers prevalent problems like routinized corruption, bureaucratized cronyism, evidence fabrication, and extralegal violence among police as expressions of strategic adaptation and often a sincere if failing attempt to perform what officers themselves consider real police work in the face of interference, incapacity, disaffection, and fragmented knowledge. This analysis of the fraught nature of police authority in India pushes contemporary theories of state power, legality, and legitimacy and postcolonialism and decolonization in different and provocative directions, opening new vistas for understanding policing as a global historical practice hybridizing local, statist, and transnational modes of producing and performing authority and order. *Provisional Authority* offers an innovative and challenging read of classical and contemporary theories of the postcolonial state and an incisive perspective on public order in relation to police authority as co-configured by practice and subjectivity.

*Pop Culture and the Dark Side of the American Dream* Paul A. Cantor, 2019-05-17

The many con men, gangsters, and drug lords portrayed in popular culture are examples of the dark side of the American dream. Viewers are fascinated by these twisted versions of heroic American archetypes like the self-made man and the entrepreneur. Applying the critical skills he developed as a Shakespeare scholar, Paul A. Cantor finds new depth in familiar landmarks of popular culture. He invokes Shakespearean models to show that the concept of the tragic hero can help us understand why we are both repelled by and drawn to figures such as Vito and Michael Corleone or Walter White. Beginning with Huckleberry Finn

and ending with *The Walking Dead* Cantor also uncovers the link between the American dream and frontier life In imaginative variants of a Wild West setting popular culture has served up disturbing and yet strangely compelling images of what happens when people move beyond the borders of law and order Cantor demonstrates that at its best popular culture raises thoughtful questions about the validity and viability of the American dream thus deepening our understanding of America itself

***Video Movie Guide 2002*** Mick Martin,Marsha Porter,2001 This bestselling video guide to films serials TV movies and old TV series available on video is completely updated with the newest releases Containing more than 18 000 listings this revised edition includes 400 new entries that are detailed with a summary commentary director cast members MPAA rating and authors rating

***Welcome to the Family*** Barry Hertz,2025-11-25 An exclusive look inside the surprising history and contentious future of Hollywood s most unlikely blockbuster the Fast Furious franchise a series that uncannily anticipated the shifting currents of pop culture while changing the business of global entertainment at the same time What do Miami drug traffickers bloodthirsty Yakuza warriors Corona soaked backyard BBQs Dame Helen Mirren and a duct taped 1984 Pontiac Fiero turned rocket fueled spaceship have in common They are all essential elements of the ever expanding logic and laws of physics defying Fast Furious universe the most entertaining outlandish and secretly genius Hollywood creation that everyone has taken for granted until now Through an escalating series of high risk maneuvers from synapse stretching stunts to timeline bending narratives to explosive PR wars between the biggest baddest baldest egos in showbiz the Fast family and it is a family above all else has redefined the art and commerce of popcorn moviemaking And the gang did it all while staring down the kind of monumental soul rattling challenges the death of a star the upheaval of an industry that would have crushed the speed and spirit of any other filmmaking team An unauthorized journey into the makings of a cinematic saga unlike any other *Welcome to the Family* exposes the stranger than fan fiction journey of the franchise from the ground up Through rigorous behind the scenes reporting and incisive cultural commentary writer Barry Hertz s ride or die epic details every single twist and turn of Fast Furious drama a quarter mile at a time By the end you will believe a car can fly
