## **The Barbary Coast:**

**The Barbary Coast** Herbert Asbury,2022-08-17 The history of the Barbary Coast properly begins with the gold rush to California in 1849 Owing almost entirely to the influx of gold seekers and the horde of gamblers thieves harlots politicians and other felonious parasites who batten upon them there arose a unique criminal district that for almost seventy years was the scene of more viciousness and depravity but which at the same time possessed more glamour than any other area of vice and iniquity on the American continent The Barbary Coast is the chronicle of the birth of San Francisco From all over the world practitioners of every vice stampeded for the blood and money of the gold fields Gambling dens ran all day including Sundays From noon to noon houses of prostitution offered girls of every age and race This is the story of the banditry opium bouts tong wars and corruption from the eureka at Sutter s Mill until the last bagnio closed its doors seventy years later

**The Barbary Coast** Henry Martyn Field,1893 *ON THE BARBARY COAST* Ronald B. Reiss,2010-04-09 The San Francisco Bay Area s unique history and setting provides the background for this collection of nine stories of the strange and fantastic all told with a meticulous eye for detail and a macabre imagination On the Barbary Coast A young man newly mustered out of the Army finds himself working as a cable car gripman in Prohibition era San Francisco He discovers that dark forces from the past are trying to drag him back to the dangerous Barbary Coast of sixty years earlier with deadly results Old Bill s Secret A lonely old man living in a flophouse in San Francisco s Depression era skid row has a mysterious secret one which comes back after thirty years to claim his life The Line A young architect in Victorian San Francisco discovers that his attraction to a beautiful mysterious stranger has a disturbingly sinister aspect The Apartment House An elderly veteran s bizarre secret dating from the South Pacific in WWII is somehow connected to strange unexplainable occurrences in a converted Santa Cruz Victorian The Mark After his aunt passes away in 1928 her favorite nephew returns to San Francisco for her funeral only to discover a shocking surprise in her Russian Hill home The Red Maelstrom After a young North Beach beatnik commits suicide the power of her last painting develops terrifying proportions Unforeseen Condition A potentially expensive problem arises in the excavation for a new high rise building in San Francisco s burgeoning South of Market District In searching for a solution a construction project manager discovers ancient forces with awesome powers that change his life forever The Satan Killer With nods to H P Lovecraft and Raymond Chandler this tale features a hard boiled Berkeley psychologist who helps the police investigate a series of disappearances in 1954 only to discover a nemesis with powers far beyond the physical world Ramona s Face A young hippie living in a 1966 Haight Ashbury flat discovers an unwelcome roommate the ghost of a former tenant on a quest to find its own freedom **The Barbary Coast Tong** Robert J. Randisi, **Inside the Barbary Coast** David Jensen,2001-12-12 John Pitman Jr didnt want to become a doctor His father had been one and had faileda die hard who had clung to cupping and purging as a means of ridding the bodys impurities But as a stevedore on the docks of San Francisco no one could mend broken bones like John Pitmans lanky son Jack Finally the

young lad decides If he is to become a doctor he will be the best INSIDE THE BARBARY COAST is where Jack Pitman chooses to open his medical practice It is an area of San Francisco filled with saloons parlor houses and opium dens bordering on Chinatown Fresh out of medical school Jack saves the life of a young Chinese prince who is an actor in Dr Pierre Louthans medical show Louthan did not go to medical school but easily passes off as a learned physician with his European manner silver tongued ability to converse on any subject relating to anatomy and his courses of treatment that involve a growing array of patent medicines Jack falls in love with Louthans assistant Marie not realizing she is married to the quack doctor Although Jacks nurse the wise Madam Wong cautions the young doctor he is smitten nonetheless and fathers a child Louthan believes is his Jack fights to discredit the huckster hoping Marie will see Louthan as a charlatan and leave him She however has plans of her own and manages to snare Jack in her own secret web As Jack becomes consumed in his new practice he tries valiantly to save the life of Hawaiis King David Kalakaua who is dying at the Palace Hotel His friend Gentleman Jim Corbett the famous boxer plays a role as does Adolph Sutro San Franciscos flamboyant mayor who built the famous Sutro Baths near the Cliff House facing the sea Jack embraces electro therapeutics because he believes it is the frontier of the New Medicine When a prominent socialite is accidentally electrocuted in his office he dismisses electrotherapy altogether and labels X rays as another quack fad But he is wrong and discovers his miscalculation just as tong wars break out in Chinatown and as President McKinley sends 10 000 young troops past the Golden Gate on their way across the Pacific to the Philippines The young doctor from the Barbary Coast hones his surgical skills while serving as a medic in the Spanish American War When he returns Marie still loves him but cannot find justification to divorce her husband The bubonic plague hits San Francisco giving the unions ammunition in their fight to exclude more Chinese from immigrating to the United States Meanwhile the always scheming Dr Louthan concocts a new patent medicine that increases sexual vigor It is based on the findings of a European endocrinologist Louthan experiments on himself resulting in a fight with Marie that leaves their relationship damaged But Pierre will not grant his wife a divorce spurring Jack to join other physicians in San Francisco and around the country to discredit Louthan and other quack doctors like him The plan works and Louthan finds the underpinning to his nostrum business slipping away Jack and Marie have just attended Enrico Carusos performance of Don Jos and taken a room at the Palace Hotel when a devastating earthquake rocks San Francisco It is April 18 1906 Shaken out of bed Jack puts Marie in a taxi to go home and heads to the Pacific Anatomical Museum where he finds Louthan has been trapped by a fallen beam As a fire erupts and flames begin licking their way closer Nate Nordstrand an old friend of Jacks who now works for Louthan swings a fire ax to amputate the quack doctors leg to free him from the beam and encroaching inferno But Nate is not finished and swings again this time squarely across Louthans neck An eye for an eye he shouts Jack knowing the full meaning of his cry Jack returns home and finds th     The Barbary Coast Henry Martyn Field,2018-10-17
