## **The Barricades:**

On the Barricades of Berlin Brass August Brass,2020-02-10 The 1848 wave of worker rebellions that swept across Europe struck the German states with the March Revolution The writer August Brass led the successful defense of the barricades in Berlin s Alexanderplatz public square Published in English for the first time On the Barricades of Berlin provides a riveting firsthand account of this uprising Brass testimony begins with the tumultuous events leading up to the revolution the peaceful democratic agitation the demands that were brought to the king and the key actors involved on all sides of the still peaceful yet tense struggle It then follows the events that led to the outbreak of resistance to the forces of order and sheds light on the aftermath of the fighting once the exhausted Prussian army withdrew from the city *The Insurgent Barricade* Mark Traugott,2010 A case study in how techniques of protest originate and evolve this book tells how the French perfected a repertoire of revolution over three centuries and how students exiles and itinerant workers helped it spread across Europe

The Drama of Dictatorship Joseph Scalice,2023-07-15 The Drama of Dictatorship uncovers the role played by rival Communist parties in the conflict that culminated in Ferdinand Marcos s declaration of martial law in 1972 Using the voluminous radical literature of the period Joseph Scalice reveals how two parties the PKP and the CPP torn apart by the Sino Soviet dispute subordinated the explosive mass struggles of the time behind rival elite conspirators The PKP backed Marcos and the CPP his bourgeois opponents The absence of an independent mass movement in defense of democracy made dictatorship possible The Drama of Dictatorship argues that the martial law regime was not fundamentally the outcome of Marcos s personal quest to remain in power but rather a consensus of the country s ruling elite confronted with mounting social unrest that authoritarian forms of rule were necessary to preserve their property and privileges The bourgeois opponents of Marcos did not defend democracy but like Marcos plotted against it *Nineteenth Century and After* ,1879
