**International Double Reed Society**

## **The Bassoonists Collection:**

**The Bassoon** James B. Kopp,2012-01-01 This welcome volume encompasses the entire history of the bassoon from its origins five centuries ago to its place in twenty first century music James Kopp draws on new archival research and many years experience playing the instrument to provide an up to date and lively portrait of today s bassoon and its intriguing predecessors He discusses the bassoon s makers its players its repertory its myths and its audiences all in unprecedented detail The bassoon was invented in Italy in response to the need for a bass register double reed woodwind suitable for processional and marching Composers were quick to exploit its agility and unique timbre Later during the reign of Louis XIV the instrument underwent a major redesign giving voice to its tenor register In the early 1800s new scientific precepts propelled a wave of invention and design modifications In the twentieth century the multiplicity of competing bassoon designs narrowed to a German or Heckel type and a French type the latter now nearly extinct The author examines the acoustical consequences of these various redesigns He also offers new coverage of the bassoon s social history including its roles in the military and church and its global use during the European Colonial period Separate historical chapters devoted to contrabassoons and smaller bassoons complete the volume Publisher description *The Montgomeryshire Collections*

Powys-Land Club, Welshpool,1900

**The Bassoon Reed Manual** James R. McKay,Russel Hinkle,William Woodward,International Double Reed Society,2000 Drawings and photographs complement step by step explanations of reedmaking techniques making every procedure clear Rather than present an onerous shopping list the chapter on tools gives a thorough tour of Skinner s workbench explaining the uses of various items and what can be used as substitutes Throughout instructions are given in clear language not just outlining steps to follow but explaining he principles behind the practice In addition to basic reed types a number of variations are treated in detail as is the making of contrabassoon reeds Finally every effort has been made to make this book practical for use at the workbench in a secure binding that will allow the pages to stay open without the use of clothespins and in print large enough to permit easy consultation when the reader s hands are occupied with cane and knives and glue and wire

**The Bassoon** Will Jansen,1978

**The Art of Bassoon**

**Playing** William Spencer,Frederick Mueller,1969 Fine bassoon teachers are a rarity in all but cities with major symphony orchestras and or a university with a distinguished music department faculty William Spencer took up the challenge of providing material for the serious bassoonist with The Art of Bassoon Playing published in 1958 With William Spencer s approval Frederick Mueller took on the task of bringing to notice recent changes in bassoon playing pedagogy and manufacture resulting in revised edition of The Art of Bassoon Playing
