With Uplifted Head Al Machiela,Dan Lioy,2007-10-01 With Uplifted Head Preaching Hope is a book that exalts

Christ by giving insight into the biblical teaching about hope. The book also shows interested readers how to preach in a way that will foster hope among members of their congregations. Because the book is designed for both pastors and lay church leaders, it does more than just present a theological understanding of biblical hope. It also has plenty of suggestions for preaching hope directly and indirectly. The authors maintain that only biblical hope focused on the resurrection and affirmed by the renewing Holy Spirit can change believers internally and create anticipation for a future in the presence of the living God.
