The Bastard King:

The Bastard King Harry Turtledove, 2015-12-15 Two rivals must unite to prevent a disgraced malevolent god from attaining a relic of extraordinary power in the first book of alternate history master Harry Turtledove's magnificent fantasy trilogy More than four centuries ago the Scepter of Mercy was lost to the king of Avornis and each subsequent liege has promised and failed to return the powerful talisman to its rightful home Now young Lanius the only surviving son of King Mergus rules though he is considered illegitimate and must abide by the decisions of regents Still the legacy of the missing scepter ultimately belongs to him But it is also coveted by the Banished One an immortal exiled by the other gods who invades the world of men through their dreams Lanius with no talent or heart for battle must keep those in the sway of the malevolent deity from Avornis's borders To this end Lanius requires the help of Grus a fearless and respected captain of the king's navy But Grus has a far loftier destiny than his common birth would suggest and the bastard king's brave accomplished ally might well turn out to be his most dangerous adversary Originally published under the pen name Dan Chernenko *The Bastard King* is a magnificent foray into epic fantasy by the incomparable Harry Turtledove the prolific and multi award winning master of alternate history science fiction A tale of courage and destiny it is alive with action imagination and humanity and populated by richly complex imperfect heroes and a villain as truly fiendish as any that has ever graced the fantasy genre

The Bastard King Jean Plaidy, 2012-09-13 The first book in the Norman Trilogy chronicles the life of William the Conqueror This glorious novel chronicles the life of William the Conqueror the bastard son of the Duke of Normandy from childhood until his death in 1087 He is destined to succeed his father as the Duke of Normandy but questions about his legitimacy mean he consistently faces challenges from potential usurpers in the Duchy to retain the title He marries Matilda the equally intelligent and ambitious daughter of the King of Flanders and together they have many children In 1066 he crosses the channel from Normandy to England and seizes the crown from King Harold Edward the Confessor's popular successor This is the roller coaster account of his efforts to become sovereign and the events in his life afterwards including his turbulent relationships with various members of his family *The Bastard King* Jean Plaidy, 2002 In 1066 William the illegitimate son of the Duke of Normandy and a tanner's daughter feels cheated when he is denied the throne of England promised to him by Edward the Confessor So he launches an invasion that makes him king He falls in love with Matilda of Flanders whose ready wit fearlessness and determination to have her way make her his equal in every respect

The Bastard King Dan Chernenko, 2003 Lost for more than five hundred years the Scepter of Mercy lies beyond the reach of the kingdom of Avornis in the lands corrupted by the Banished One Cast from the heavens to an earthly exile the Banished One seeks to use the scepter to reclaim his godhood But the intertwined destiny of two men may interfere with his ascension Lanius is the only son of King Mergus of Avornis But he is the son of a seventh wife and therefore illegitimate in the eyes of church and state So after the king's death the nobles use young Lanius as their figurehead while they rule behind

the scenes Grus is a captain in the king's navy a man of common origins as well as common sense His is charged with guarding the border from Avornis enemies including those who live in thrall of the Banished One He's watched his homeland weaken under incompetent rulers and fears for the future as disturbing visions torment his dreams Now both Lanius and Grus must decide what's best for the kingdom before the influence of the Banished One spreads to their people And so begins the quest for the Scepter of Mercy
