## **The Atlanta Exposition Cookbook:**

**Atlanta Exposition Cookbook** Mary E. Wilson, 2012-07 Published in 1895 as a souvenir of the Woman's Building at the Cotton States and International Exposition held in Atlanta this charming cookbook offers readers an opportunity to try recipes that were favorites of their grandmothers and great grandmothers. In gathering the recipes Mrs. Wilson sought to preserve valuable old Southern receipts from antebellum days that have been almost lost in the ignorance of the up to date cook. Here is a delightful array of soups, breads, desserts, and main dishes: Roast Pigeon, Terrapin Stew, Temperance Mince, Meat Gumbo for 3 O'clock Dinner, many versions of Sally Lund, and of course Jeff Davis Pudding. In each case Wilson has identified the woman who gave her the recipe. In her introduction historian Darlene R. Roth looks at the book as social history and tells us something about turn of the twentieth century cookery and the women who were involved in the great Atlanta exposition.

**The Atlanta Exposition Cookbook**, 1984    [Georgia's Historical Recipes](#) Valerie J. Frey, 2025-05 Georgia's Historical Recipes is an exploration of our state's oldest recipes from the antebellum period through World War II as painstakingly researched by Georgia archivist Valerie J. Frey. This volume begins with a discussion of old recipes as primary sources and what they can tell us about the history and culture of their era and how to bring them to life in modern kitchens. Frey then moves into fifty sections that can be read alone yet allow readers to build an understanding of how foodways evolved over time. Some sections highlight a single recipe illustrating how changes in technology, agriculture, transportation, communication, and social patterns led to changes in Georgia kitchens. Most of the recipes are previously unpublished, waiting in archives to be rediscovered. Other sections explore our oldest cookbooks, offering biographical and cultural background information that makes them more meaningful. For the first time Georgians have a list of the state's early cookbooks and its cooking experts. Readers will learn where to find Georgia's oldest recipes and discover many examples to whet their appetites literally and figuratively for a taste of Georgia's past.
