

THE ATTRIBUTES of GOD

To study God's attributes is to study his character, to answer questions like, who is God? and what is God like? A typical classification of God's attributes divides them into those that are **incommunicable** (those that he does not share or "communicate" to anyone or anything else) and **communicable** (those that he shares with other beings). Like most theological classifications, this isn't important, but still helpful as we seek to understand what is far beyond ourselves.

Both communicable attributes can be further categorized into attributes of God's being, moral attributes, mental attributes, attributes of purpose and "transcendent" attributes (attributes that, in a more particular way, modify each of the others).

It is important to consider that God is not simply the sum of his attributes. His attributes are not separate from one another, but each one modifies or qualifies each of the others.

W. Tozer,2022-01-27 This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart A superb aid to strengthening and deepening the spiritual life each chapter begins with a prayer lucidly discusses a divine aspect from God s infinity to God s love and relates that aspect to today s world while pointing always to God s wonder and inscrutability A W Tozer asserts that the cause of many of our modern spiritual woes is the loss in today s church of a lofty concept of God He argues persuasively that the cure lies in our rediscovery of God s majesty True religion confronts earth with heaven and brings eternity to bear upon time says the author in his preface The messenger of Christ though he speaks from God must also as the Quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself His message must be not only timeless but timely He must speak to his own generation The message of this book is indeed both timeless and timely Tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly in the thinking of the church He sees the church as having surrendered her once lofty concept of God not deliberately but little by little and without her knowledge With this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence Tozer attempts to address this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate he tells us **Jehovistic names and titles of God. understand and comprehend HIM Our finite minds cannot reason fully not even a fraction of Who God is but the Bible communicates what He is like so that we can know Him better God tells us through His very Word specific truths about Himself so that we can know what He is like and be drawn to better worship Him God's manifold attributes shine most clearly in His Son Jesus Christ who came to reveal His Father Through Christ's saving work on the cross we are able to know and worship God rightly And once we begin to grasp Who God really is and what He is like it will make a difference in our lives Properly understanding God is the key to trusting Him enough that He can live through you A W Tozer wrote What comes into our minds when we think about God is the most important thing about us A right view and understanding of God is essential if we are to develop trust and faith in Him and have real purpose in living So why learn about the attributes of God As someone very well put it A man's own character will necessarily be determined by the character of the god whom he worships What you are and what you will turn out to be in life is affected by whom or what you worship Therefore in order to have a true understanding of Who God is so as to rightly worship this God of the Bible we must have a right understanding of His attributes Though there are many good reasons why it is important for us to understand the attributes of God here are just 3 key reasons as to why I believe it is important for us to do so 1 It pleases God 2 It saves and protects us from having a wrong view of God 3 The result is joy in our hearts This book therefore aims to help us study and understand the attributes of this infinite God so that we delight in and love Him with all our heart soul strength and mind As you will notice this book dwells on twelve key attributes that have been selected one for every month And as you get into a particular month with a specific attribute for that month you will find 31 verses pertaining to that said month's attribute Use this devotional to enrich your time set apart with God by taking one description of Him and meditating on that for the whole day along with the accompanying passage I pray that this book will help you in your worship of God the purpose you were created for by focusing on Him and His character
