

The background of the entire image is a serene sunset scene. The sun is a bright, glowing orb positioned centrally on the horizon, partially obscured by the silhouettes of distant mountains. Its light creates a vibrant orange and red sky, with wispy clouds catching the low light. A clear, shimmering reflection of the sun stretches vertically down the center of the calm water in the foreground. The overall color palette is dominated by warm tones of orange, red, and yellow, contrasting with the dark silhouettes of the land.

The Authentic Gospel:

The Authentic Gospel of Jesus Geza Vermes, 2004-09-30 There can be no doubt that Jesus a religious genius as Geza Vermes describes him lived and taught in Palestine some 2000 years ago The influence he has had is incalculable How though can we distinguish between the doctrines shaped to the needs of the burgeoning Christian church and the original views laid out by Jesus himself How can we dig back through the additions misinterpretations and confusions of later writers and two millennia of tradition to get back to the authentic gospel of Jesus In his new book Vermes subjects all the sayings of Jesus to brilliantly informed scrutiny The result is a book of unique value and novelty scraping aside the accretions of centuries to come as close as we can hope to be to the true Jesus

Original Gospel of Matthew Vol. 2 Stanford Rives, 2012-12-15 Stanford Rives seeks to provide the best approximation of the original Gospel of Matthew based upon Hebrew sources There is no disputing Matthew wrote his gospel in Hebrew In about 400 AD Jerome translated it from a copy at the Library of Caesarea It was quoted dozens of times by the earliest church commentators Jerome explained that our Greek version of Matthew came from this Hebrew version Jerome noted a score of variants that were interesting The Shem Tob version of Matthew is the best candidate to reflect the original Hebrew Matthew Stanford Rives a Christian attorney tries to meticulously assemble what likely was the original Matthew from all these sources It is hoped that this will be edifying to the faithful This first of three volumes collects all viable earliest variants for Matthew overlaid on the framework of the American Standard Version of Matthew from 1901 These variants are color coded for easy identification The variants are footnoted so the reader can read its source and weigh its strength and viability The second volume will collect important scholarly material on the validity of the early variants and the significance of the changes to the traditional text Topics covered in volume two include whether the virgin birth was originally present whether Yahweh's name was originally used and on the aid to apologetics which the original Matthew variants provides The third volume is intended for devotional reading It attempts to represent the best estimate of what the entire original Gospel of Matthew contained There is no commentary It is simply a smooth flowing text with the best variants reflected in the text using color coding to signify the source of each variant The same color codes are used in volume three as used in volume one They will tell the reader the general source of the variant but to know the precise citation for the variant one must refer back to Volume I The first and third volumes are separated to keep customer purchase costs down This allows the readers to choose whether to purchase just volume one or also volume three to know the contents of the Original Gospel of Matthew

Course Corrections to Faith and Identify the Real Gospel Authors John Zavicar, 2022-07-19 The author believed he

was a saved Christian and never doubted he was going to heaven Recently during a traumatic surgery that nearly killed him God took him to hell to show him his true eternal destination After surgery and during recovery John started working with the Holy Spirit to understand why God sent him to visit hell He realized it was because he hadn't wholeheartedly accepted the story of Jesus Many of the Biblical Gospels never made sense to John and he couldn't fully commit to Jesus Read John's story to find out how God worked in his life to identify the real authors of the Gospels and how this solidified his faith Following this investigation John committed 100% to Jesus Apply the five step process he describes to firm up your faith and eliminate your doubts in Jesus just as he did **The True Latter-Day-Saints' Herald** ,1875 **The Authentic Gospel:**
