### **The Barbary Coasters:**

**Annual Report** Golden Gate Kindergarten Association, San Francisco, 1884      **The Literary Voices of Winnifred**

**Eaton** Jean Lee Cole, 2002 Winnifred Eaton better known under her Japanese pseudonym Onoto Watanna was of English and Chinese heritage but born and raised in Canada. She published over a dozen novels and hundreds of short stories, magazine articles and screenplays during the first half of the twentieth century. Her romances featuring Japanese and Eurasian heroines sold widely. However, by the time of her death in 1954, most of her books were out of print. Winnifred, unlike her sister the better known writer Edith Eaton, has been a troubling figure for Asian Americanists. She attempted to disguise her ethnic heritage writing under a Japanese pen name and in legal documents she usually claimed a white racial identity. Scholars have noted her use of Orientalist stereotypes in her novels and even though she depicted a broad range of non-Asian characters such as Irish maids and cowboys, her portrayals often relied on the accepted stereotypes of the day. Rather than dismiss her characterizations as evasions of the topics that readers today wish she had explored, Jean Lee Cole asks why Winnifred Eaton may have chosen the subjects she did. Cole shows that the many voices Eaton adopted reveal her deep

**Barbary Coasters** Black Cat Publications,      **The Wicked Waltz and Other Scandalous Dances** Mark

Knowles, 2009-06-08 The waltz, perhaps the most beloved social dance of the 19th and early 20th centuries, once provoked outrage from religious leaders and other self-appointed arbiters of social morality. Decrying the corrupting influence of social dancing, they failed to suppress the popularity of the waltz or other dance crazes of the period, including the Charleston, the tango, and animal dances such as the Turkey Trot, Grizzly Bear, and Bunny Hug. This book investigates the development of these popular dances, considering in particular how their very existence as taboo cultural fads ultimately provided a catalyst for lasting social reform. In addition to examining the impact of the waltz and other scandalous dances on fashion, music, leisure, and social reform, the text describes the opposition to dance and the proliferation of literature on both sides.      **San Francisco's Lost Landmarks** James R. Smith, 2005-07-01 With long-forgotten stories and evocative photographs, this collection showcases the once-familiar sites that have faded into dim memories and hazy legends. Not just a list of places, facts, and dates, this pictorial history shows why San Francisco has been a legendary travel destination and one of the world's premier places to live and work for more than 150 years.      **The Penny Magazine of the Society for the Diffusion of Useful**
