**Entertaining German Culture** Stephan Ehrig,Benjamin Schaper,Elizabeth Ward,2023-08-11 Audiences for contemporary German film and television are becoming increasingly transnational and depictions of German cultural history are moving beyond the typical post war focus on Germany's problematic past Entertaining German Culture explores this radical shift building on recent research into transnational culture to argue that a new process of internal and external cultural reabsorption is taking place through areas of mutually assimilating cultural exchange such as streaming services an increasingly international film market and the import and export of Anglo American media formats

*The Professionalization of Window Display in Britain, 1919-1939* Kerry Meakin,2024-09-05 This book provides the first comprehensive history of window display as a practice and profession in Britain during the dynamic period of 1919 to 1939 In recent decades the disciplines of retail history business history design and cultural history have contributed to the study of department stores and other types of shops However these studies have only made passing references to window display and its role in retail society and culture Kerry Meakin investigates the conditions that enabled window display to become a professional practice during the interwar period exploring the shift in display styles developments within education and training and the international influence on methods and techniques Piecing together the evidence visual and written about people events organisations exhibitions and debates Meakin provides a critical examination of this vital period of design history highlighting major display designers and artists The book reveals the modernist aesthetic developments that influenced high street displays and how they introduced passers by to modern art movements
