in the NBA for every year of his long NBA career In this short book we will learn about how Duncan became the incredible power forward that he is today Starting first with a look into his childhood and early life we'll learn about Tim Duncan prior to entering the NBA along with his time in the NBA playing alongside David Robinson to his time playing with Tony Parker and Manu Ginobili leading the San Antonio Spurs Tim Duncan is easily one of the greatest if not the greatest power forward to play the game of basketball For a man who once was just a kid fulfilling a promise to his parents to earn a college degree at Wake Forest Tim Duncan has come a long way over the course of his basketball career It will be exciting to see how Duncan and the Spurs do in this year's 2013 2014 NBA playoffs Here is a preview of what is inside this book Early Life and Childhood College Years at Wake Forest Duncan's NBA Career Tim Duncan's Personal Life Tim's Impact on Basketball and Beyond Duncan's Legacy An excerpt from the book A half decade ago the Spurs were the most hated team in the league In the eyes of the media and fans alike they were not the brilliant beautiful team that executed basketball at a level which no other team could do They were an ugly defense first boring team that would never hesitate to use dirty tricks flop or work the referees to beat more exciting fun teams like the Seven Seconds or Less Phoenix Suns Bruce Bowen was a nasty piece of work who would kick an opposing player in the face if he could get away with it Robert Horry hip checked Steve Nash into the stands in the playoffs and Manu Ginobili was a cowardly flopper Duncan may not have received quite the ire of his teammates but he was boring A superstar without a doubt but one who got to play on stacked teams unlike Kevin Garnett and Kobe Bryant who struggled on mediocre teams in the mid 2000s But do the Spurs care about the fact that those who love them today are also those who castigated them in the past Not in the slightest They just keep winning one 50 game season after another chasing championships and glory Right in the middle of that Tim Duncan oblivious to the roars or boos of the crowd continues to play with the same efficiency and genius that he has brought to the NBA over the past 17 years of his career
