Sprite Between Two Worlds:

The New Testament of Our Lord and Saviour Jesus Christ, 1557 Twisted Tales From The Universe Mari Collier, 2022-01-31 Enter worlds both strange and familiar Travel through time encounter witches as they move about their day be enchanted by childhood fairies and slay dragons from tales of old Encounter ordinary people in extraordinary situations and rocket through space to a wasted planet that auctions its one exportable product women As in life Twisted Tales from the Universe offers a range of stories that include humor murder love and situations that never end quite the way one would expect **Between Two Worlds** Shirley Ann Stave, 1986 *Waterspell (Boxed Set: Books 1-4)* Deborah J. Lightfoot, 2022-04-21 WATERSPELL Books 1 4 Making a place for yourself in a world where you don't belong takes courage So does moving in with a warlock Especially one who is a cauldron of seething anger on his worst days half mad on his best who is thinking perhaps of killing you And you can almost understand why he would do it But you'll fight to stay alive Because maybe just maybe you've found the place where you belong On his world in his magic saving the warlock from himself The four books of Waterspell tell the story of the lost traveler Carin who is drawn into the schemes of a hot tempered emotionally damaged wizard Does he view her as nothing more than an expendable weapon in his fight to save his world from lethal alien plagues Or will Lord Vereck find himself wavering when it comes time to dispose of his fiery water sylph Praise for the Books of Waterspell An impressively immersive quality in Deborah J Lightfoot's writing draws you in and keeps you there as the pages turn engaging the enduring interest and sympathy of the reader as they follow the twists and turns of the plot Lightfoot creates a detailed and convincing world in which to set her story Martin Dukes First off there's the writing itself the quality of the prose the effortless way that Lightfoot sets the stage and calls the shots with none of the ponderous overblown verbiage that weighs down so much high fantasy Then there are the characters each determined to leap off the page But what most sets this book apart is its wild premise an inspired bit of imagination Brian T Marshall An extremely well written fantasy story flows well with a very readable style that holds your interest throughout The world building is solid and intriguing the magical aspects well drawn and versatile and characterisation is energetic so that you are immediately invested in their future All in all a marvellous addition to the fantasy genre and I would recommend it for lovers of magical mystical tales Liz Wilkins Waterspell blew my expectations out of the ballpark What a brilliant and unforgettable story I devoured it literally consumed by the originality and depth Deborah brings to her characters She provides a strong balance between action adventure fantasy and romance and Carin's combination of pride and vulnerability make her a fabulous character Quite frankly I am just astounded by the emotions this book stirred in me It is simply extraordinary Lady Vigilante A must read for fantasy enthusiasts who enjoy immersive world building well developed characters and a storyline that seamlessly blends magic and human emotion NetGalley The story just keeps getting bigger and bigger Book Briefs Book 1 The Warlock Book 2 The Wysard Book 3 The Wisewoman Book 4 The Witch **Waterspell Book 2: The Wysard** Deborah J.

Lightfoot,2021-08-11 He s a strong man in pain She ll cross a universe to find where she belongs Together they ll save a world and each other After blundering into the last stronghold of magic Carin discovers that she is right to fear the wizard Verek He is using her to seal the ruptures in the void and she may be nothing more to him than an expendable weapon What will he do with her or to her when his world is again secure Or has he erred in believing that the last bridge has been broken The quest may not in fact be over and Lord Verek may find himself not quite as willing to dispose of his fiery water sylph as he once believed himself to be Book 2 of a series The story begins with Waterspell Book 1 The Warlock and continues in Book 3 The Wisewoman and Book 4 The Witch Editorial Reviews This book is even better than the first and a great example of why I love a great series I love getting to know the characters and following their journey from book to book If you love epic fantasy you will LOVE this series Highly recommend Momto4BookLover This series is so vivid in my mind thanks to wonderful descriptions and attention to detail Texas Book Nook Imaginative exciting plenty of action and an ending that will leave you satisfied A Life Through Books The World's temperance reciter [ed. and partly written] by J.
