**School Subjects and Curriculum Change** Ivor Goodson, 1987 *The Elementary School Subjects, Vol. 1* Calvin N. Kendall, 2017-10-25 Excerpt from The Elementary School Subjects Vol 1 How to Teach the Fundamental Subjects Tms book discusses the teaching of the common fundamental subjects found in elementary schools It also contains suggestions as to what should make up the course of study in these subjects and it attempts to set forth some of the principles that should underlie methods of instruction and

determine the selection of subject matter It is essentially a book for the use of teachers and supervisors of schools and for those who are preparing to be teachers The subjects discussed consume by far the greater part of the time of both teachers and pupils in the elementary schools To say that the teaching of these subjects should be as skillful as possible is a common place Because of the difference in the quality of teaching one class exercise in reading is of infinitely greater value than another class exercise For the same reason one school may be found to be inferior to another school even in the same system About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
