as they enact an intercultural perspective on language teaching and learning **Case Studies in Language Curriculum Design** John Macalister,I.S.P. Nation,2013-05-13 Case studies are a powerful pedagogical tool for illuminating constructs and models in real life contexts Covering a wide range of teaching learning contexts and offering in depth analyses of ESL ELT language curriculum design issues this casebook is distinctive and unique in that each case draws on and is clearly linked to a single model presented in Nation and Macalister s Language Curriculum Design www.routledge.com/9780415806060 giving the book a high degree of coherence A short commentary by the editors after each case highlights features of note and or issues arising from it This is a versatile text designed to work as a companion to Language Curriculum Design adding meaning and depth to the model presented there by relating it to a range of applications as a stand alone text or as a resource for language teacher trainees teacher educators practicing teachers program administrators and materials writers in the field

Peer Response in Second Language Writing Classrooms Jun Liu,Jette Hansen Edwards,2002-05-30 Peer response in which students work together to provide feedback on one another s writing in both written and oral formats through active engagement with each other s progress over multiple drafts has been discussed in L2 writing literature since the early 1980s While peer response activities have now become a common feature of L2 writing instruction much of the research in peer response studies presents conflicting data There is a need for a comprehensive survey of it in an effort to help teachers sort out what may or may not be useful to them in the classroom Peer Response in Second Language Writing Classrooms was written to fill that void Peer Response in Second Language Writing Classrooms will provide teachers with practical guidelines for making peer response effective in the classroom and will offer a theoretical grounding on the purposes and importance of peer review or feedback as it relates to current writing instruction pedagogy [New case studies of openness in and beyond the language classroom](#) Anna Comas-Quinn,Ana Beaven,Barbara Sawhill,2019-07-26 A follow up to the successful 2013 publication about OER and language teaching this book celebrates the many ways in which language teachers and learners around the globe are embracing the concept of openness in and beyond the language classroom Divided into three sections creating and using OERs working in open spaces and openness and teacher development these short practical case studies provide first hand information on how openness can facilitate language teaching and learning The editors hope it will inspire teachers to explore open tools practices and teacher development as part of their language teaching practice
