Teaching Reading To Struggling Learners:

Teaching Reading to Struggling Learners Esther Hirsch Minskoff, 2005 This indispensable resource is a complete guide to addressing each student's specific instructional needs and teaching reading skills side by side with critical language and thinking skills Teaching Reading Comprehension to Students with Learning Difficulties, 2/E Janette K.

Klingner, Sharon Vaughn, Alison Boardman, 2015-01-19 This practitioner resource and course text has given thousands of K-12 teachers evidence-based tools for helping students particularly those at risk for reading difficulties understand and acquire new knowledge from text. The authors present a range of scientifically validated instructional techniques and activities complete with helpful classroom examples and sample lessons. The book describes ways to assess comprehension, build the skills that good readers rely on, and teach students to use multiple comprehension strategies flexibly and effectively. Each chapter features thought-provoking discussion questions. Reproducible lesson plans and graphic organizers can be downloaded and printed in a convenient 8 1/2 x 11 size. New to This Edition: Chapters on content area literacy, English language learners, and intensive interventions. Incorporates current research on each component of reading comprehension. Discusses ways to align instruction with the Common Core State Standards. Additional instructional activities throughout.

Teaching Elementary Mathematics to Struggling Learners Bradley S. Witzel, Mary E. Little, 2016-01-24 Packed with effective instructional strategies, this book explores why certain K-5 students struggle with math and provides a framework for helping these learners succeed. The authors present empirically validated practices for supporting students with disabilities and others experiencing difficulties in specific areas of math, including problem solving, early numeracy, whole number operations, fractions, geometry, and algebra. Concrete examples, easy to implement, lesson planning ideas, and connections to state standards in particular the Common Core standards enhance the book's utility. Also provided is invaluable guidance on planning and delivering multi-tiered instruction and intervention. Teaching Reading
