## **Teaching Slow Learners Through Active Games:**

**Teaching Slow Learners Through Active Games** James Harry Humphrey,Dorothy D. Sullivan,1970 **Slow Learners** Diane Griffin,2005-08-02 First Published in 1978 In the case of slow learners the first and most critical thing to do is to recognise that children are individuals and then to break the circle of failure they expect to tread All the ideas and suggestions in this book therefore are governed by this belief Each chapter is self contained in so far as it can be read by itself and as a reference if a teacher or parent is meeting a particular difficulty in that field Some chapters are pertinent to both primary and secondary school teachers some more to one age group than another but all are related The appendices are itemised separately so that their information may be used on its own All the materials ideas and suggestions are from practising teachers and have been or are being at the present time used in schools
