Teaching Transparencies Geography The World And Its People:

Geography McGraw-Hill,2001-12-01 *Transparency in Global Change* Burkart Holzner,Leslie Holzner,2010-06-15

Transparency in Global Change examines the quest for information exchange in an increasingly international open society Recent transformations in governments and cultures have brought about a surge in the pursuit of knowledge in areas of law trade professions investment education and medical practice among others Technological advancements in communications led by the United States and public access to information fuel the phenomenon of transparency This rise in transparency parallels a diminution of secrecy though as Burkart and Leslie Holzner point out secrecy continues to exist on many levels Based on current events and historical references in literature and the social sciences Transparency in Global Change focuses on the turning points of information cultures such as scandals that lead to pressure for transparency Moreover the Holzners illuminate byproducts of transparency debate insight and impetus for change as transparency exposes the moral corruptions of dictatorship empire and inequity *Resources in Education* ,1999-04 *World Geography* Phillip Bacon,1989 *Geography and the Human Experience* ,2004 *Towards a Learning State* Ferid Belhaj,Roberta Gatti,Daniel Lederman,Hoda Assen,Ernest John Sergenti,Rana Lotfi,Mennatallah Mousa,2022-10-06 The MENA region is facing important vulnerabilities which the current crises first the pandemic then the war in Ukraine have exacerbated Prices of food and energy are higher hurting the most vulnerable and rising interest rates from the global tightening of monetary policy are making debt service more burdensome Part I explores some of the resulting vulnerabilities for MENA MENA countries are facing diverging paths for future growth Oil Exporters have seen windfall increases in state revenues from the rise in hydrocarbon prices while oil importers face heightened stress and risk from higher import bills especially for food and energy and the depreciation of local currencies in some countries Part II of this report argues that poor governance and in particular the lack of government transparency and accountability is at the root of the region s development failings including low growth exclusion of the most disadvantaged and women and overuse of such precious natural resources as land and water
