Team Ministry Putting Together A Team That Makes Churches Grow:

Team Ministry Dick Iverson, Ray Grant, 1984 Ministers Fellowship International founder Dick Iverson provides a step by step approach for establishing a team ministry within any local church. Team Ministry includes information on how to discover and train new leaders within the church and 12 principles on maintaining the leadership team once it is in place.

Transform Your Church with Ministry Teams E. Stanley Ott, 2004 The concept of ministry teams is rapidly taking hold in churches but just what are they and how do they work. Transform Your Church with Ministry Teams outlines what effective ministry teams look like, describes what they can offer local congregations and gives concrete step by step suggestions for making them happen. The power of ministry teams lies in their unique capacity to generate genuine Christian fellowship, nurture, discipleship, develop leaders and mobilize people for ministry. While traditional church leadership organizations concentrate almost exclusively on task, policy and program, ministry teams are designed to enhance faith development and thus ministry effectiveness. E. Stanley Ott explores three main areas of ministry team development. First he explains the philosophy behind ministry teams and discusses the issues involved in shifting from committee based to team based ministry. Second he tells how to begin ministry teams including how to identify team leaders and members and how to determine their roles. Third he looks at the details of ministry team life including ways to build team fellowship, foster discipleship and communication within teams and accomplish specific ministry tasks. Filled with wise, time tested advice including four how-to appendixes, this book will help pastors and lay leaders transform the life of their church or Christian organization.

Building Churches That Last Dick Iverson, 1995-10 Dick Iverson sets forth a blueprint for church growth according to biblical patterns, rejecting marketing schemes and passing fads which may effect immediate results but which do not always have staying power.

Truths That Build Dick Iverson, 2001 Dick Iverson led City Bible Church for over 40 years from its humble beginning of 13 people to a church of over 3000. As a pastor and founder of Ministerial Fellowship International, his passion is to teach other pastors and leaders the fundamentals of successful church and family life. In this book he teaches 12 principles that will help live your Christian life to its fullest.

The Y-B-H Handbook of Church Planting (Yes, But How?) Roger N. McNamara, Ken Davis, 2005-05 This book covers all the crucial issues of the church planting task. It tells how to organize and grow the new church working toward the ultimate goal of corporate reproduction.

Supervising and Supporting Ministry Staff Kevin E. Lawson, Mick Boersma, 2017-06-07 Surveys of pastoral staff repeatedly show that senior or supervising pastors consistently rate their working relationships with their associate staff members higher than do the associate staff members. Satisfaction levels follow similar patterns. In many cases supervisors are not aware of or attentive to the concerns of their staff and yet these staff members are critical to the success of the church. Supervising and Supporting Ministry Staff is a research based

guide to the senior associate staff relationship that is filled with real life stories and practical advice to help readers negotiate their staff relationships successfully The book focuses not only on the business mechanics of the supervisor supervisee relationship but also the full experiences of the associate staff including emotional and spiritual needs This helpful resource addresses congregations of all sizes across denominations and discusses a range of supervisor supervisee relationship types **Creating Communities of the Kingdom** David W. Shenk, Ervin R. Stutzman, 1988-07-09 David W. Shenk and Ervin R.
