## **Tears For Fears:**

*Tears For Fears* C. Smith, 2023-03-30 Tears for Fears are a pop rock group formed in Bath Somerset England UK during 1981 by Roland Orzabal and Curt Smith. Founded after the folding of their 1st band the mod influenced Graduate, Tears for Fears were associated with the new wave synthesizer groups of the early 80s, having international chart success. The band's debut LP *The Hurting* 1983 topped the British charts and their 1st 3 hit singles *Mad World*, *Change*, then *Pale Shelter* made the UK top 5. Part of the MTV driven Second British Invasion of the US, their 2nd album *Songs from the Big Chair* 1985 topped the US Billboard 200, going multi platinum in Britain and the States. The LP produced a couple of Billboard Hot 100 no 1s *Shout* and *Everybody Wants to Rule the World*, both of which reached the UK top 5, with the latter winning the Brit Award for Best British Single in 1986. After the issue of their platinum selling 3rd album *The Seeds of Love* 1989, Smith and Orzabal broke up acrimoniously during 1991. Roland kept the Tears for Fears name as a solo project, releasing the LPs *Elemental* 1993, then *Raoul and the Kings of Spain* 1995. He and Curt reconciled in the year 2000 before putting out an album of new material *Everybody Loves a Happy Ending* 2004. The duo have toured intermittently since then. After almost a decade in development, the group's 7th LP *The Tipping Point* was issued during February 2022, becoming their 6th UK Top 5 album, their highest charting for 30 years, reaching the Top 10 in many other countries including the US where it topped the Billboard Top Alternative Albums and Top Rock Albums. Orzabal and Smith were honoured with the Ivor Novello Award for Outstanding Song Collection in 2021, recognising their era defining Tears for Fears albums and critically acclaimed innovative hit singles.

**Tears For Fears On Track** PAUL. CLARK, 2022-08-25      **Tears For Fears The Hurting** Laura Shenton, 2021-03-12 In 1983 Tears For Fears debut album *The Hurting* was released after the success of their iconic single *Mad World*. Whilst embracing the popularity of synth pop, Roland Orzabal and Curt Smith created an album that had a darker edge to it. Commercially it was a bold move, but with memorable melodies and catchy rhythms it paid off, all whilst making reference to the work of psychologist Arthur Janov. In this book, music author Laura Shenton MA LLCM DipRSL offers an in depth perspective on *The Hurting* from a range of angles, including how the album came to be, how it was presented and received at the time, live as well as on record, and what it means in terms of Tears For Fears' legacy today. As the author explains, basically the book covers how the album was made, what was going on with the music in terms of the artist's intentions, how it did musically and commercially, and what happened next. The narrative is essentially driven by contemporary interviews with the artists, with small bits of music theory where relevant. In some cases they delve into the structure, key signatures, time signatures based on the original sheet music, without straying away from being an engaging read for non musicians.      [Tears for Fears on track](#) Peter Childs, 2023-09-29 Even after 40 years, critics of Tears For Fears have tended to describe them as an 80s band. This is understandable when songs like *Mad World* appear in films that typify that period, and *Everybody Wants to Rule the World* has had a prolonged life as one of the most played songs on streaming services. Roland Orzabal and Curt

Smith quickly transformed from their first band mod revivalists Graduate to introspective studio obsessives with The Hurting to global hitmakers on Songs from the Big Chair before releasing The Seeds of Love epic both in terms of vision and cost Musical differences and strained relations led to the dissolution of the original partnership at the end of that decade while Orzabal carried on under the Tears for Fears banner into the 1990s Everybody loves a happy ending and in 2004 the reformed duo released that jocularly titled album Then followed a long wait for a new record a period occasionally punctuated by extensive touring around the world The patience of their loyal followers was rewarded in 2022 with the universally lauded The Tipping Point Taking in Graduate and the duo s solo work this book covers the band s complete career album by album and song by song Paul Clark is a writer freelance journalist musician and lecturer He has previously worked as both a sports and music journalist For over 18 years he has lectured in news sports and music journalism He is an avid gig goer and record collector and can often be found crate digging in the region s record stores Born in Liverpool he now lives in St Helens UK
