## **The Battle For The Resurrection:**

The Battle for the Resurrection Norman L. Geisler, 2004-06-21 Since the belief in a purely spiritual resurrection of Christ is prevalent in many cults those involved in countering the rise and growth of cults would benefit greatly from reading this book Dr Walter Martin author of *The Kingdom of the Cults* Dr Geisler's book is effectively designed as an antidote to the misery of turning Christ's factual resurrection into an event outside the bounds of ordinary history Dr John Warwick Montgomery author of *History and Christianity* Geisler demonstrates not only the danger in the theology of various cults but also the tendency to discount the bodily resurrection of the Lord even among evangelicals It is essential reading for every pastor and student Dr Paige Patterson author of *Song of Solomon* The proclamation that Jesus was raised in the same physical body in which he died is just as important today as it was in the first century The book signals such a call to the importance of this doctrine Dr Gary Habermas Distinguished Professor of Apologetics and Philosophy Liberty University

**The Battle for the Resurrection, Third Edition** Norman L. Geisler, 2019-03-28 There is a trojan horse inside

the evangelical camp A battle has broken out and the enemy is on the inside not the outside In fact the enemy has secretly placed dynamite at the evangelical foundation which supports the whole superstructure of Christian truth Alarming Yes but true Who is the enemy and what is the evangelical foundation of truth The answer emerges from recent significant actions by some evangelical schools and denominations For example one of the largest Protestant denominations in the world retains on the faculty of its school a professor who has denied in print that Jesus rose from the tomb in a literal physical body He contends Paul was convinced that the Christ who appeared to him belonged to another order of existence than the Christ the disciples had known in the flesh The risen Christ has not a physical but a spiritual body emphasis mine A smaller influential denomination that sponsors a well known evangelical seminary in America has just pronounced orthodox a professor who denies what the Apostle's Creed affirms I believe in the resurrection of the body flesh He wrote of Christ This suggests that after his resurrection his essential state was one of invisibility and immateriality It will be spiritual also in that it is neither fleshly nor fleshy From this point of view the new body is qualitatively and numerically distinct from the old body emphasis mine These developments signal a new and crucial battle inside the evangelical church the battle for the resurrection Fighting for the resurrection is not new fighting for it inside evangelical circles is Once it was only liberals who denied the physical material resurrection now some evangelicals have joined them Traditionally the historicity of the resurrection was denied now it is the materiality of the resurrection body that is denied Suppose you were in Jesus' tomb on that first Easter morning What would you have seen Jesus' dead body literally come to life and leave the tomb No According to this new departure from orthodoxy you simply would have witnessed Jesus' body vanish before your eyes In short you would have observed the annihilation of His material body not its resurrection The implications of this new doctrinal departure are far reaching They threaten the very foundation of our evangelical faith The Bible declares that the resurrection is the very heart of the gospel 1 Cor 15 1-3 and is even a condition of salvation Rom 10 9 Thus to tamper with this foundation of faith is to undermine the whole superstructure of Christian truth This book is an attempt to sound the trumpet of concern about this current trend in evangelical doctrine It reveals alarming information about the latest attempts to redefine historic biblical truths to suit contemporary inclinations It is an earnest plea to alert the body of Christ to one of the most significant doctrinal deviations of our time one that hits at the very essence of the Christian faith The Trojan horse is within and the dynamite has been placed The battle for the resurrection is now within the evangelical church      *Revelation* Andrew D. Parker, 2017-05-31 Many have tried to understand Revelation but evidently few have actually taken the visions apart to study their chronology This book is part of the results of years of studying Revelation through the Greek not a translation This first book part one of the commentary includes a thorough discussion of the keys necessary for understanding Revelation and the timing of its events The entire commentary will include a new translation of Revelation along with running commentary in what is believed to be a close rendition of Revelation's true chronology Included support for these understandings comes from the

Old and New Testaments early Christian writings and ancient Jewish understandings It is the author's belief that without these new findings Christians will not be able to fully understand Revelation and the End Times *The Ever War* Elder Conrad Jarrell, 2015-08-23 The King James Bible teaches that God created the entire universe in Six Days that all the Holy Angels for they all still were sang together and shouted for joy and that God saw that Everything that He had made was very Good for it all still was Then the Seventh Day Everything changed save only God the Elect Holy Angels and their heavenly Abode This book is about Who and What and Why and How those Changes were made It is the Story of Life and Death Holiness and Sin Heaven and Hell Angels and Demons The Seed of The Woman and The The Seed of The Serpent It is the Story of the single Throne of God and of many Unidentified Flying Objects It is the Story of the Human Race and of Another Race which only looks human and of still Others which don't at all It is the Story of an Innocent Man Who died on a Cross and rose to be Lord on the Throne of Heaven and of a Guilty Cherub who fell from Glory and will rot forever in a Lake of Fire This book is The Story of The Ever War *The Sunday School Teacher*, 1883 **Why Did God Create Man?** Dennis

Dinger, 2017-04-12 This question has been asked by many throughout mankind's whole sojourn on earth This book is a study of the interactions of the Lord God toward man as presented in the Bible God's relationship with Adam Noah Abraham Isaac Jacob the children of Israel the judges and several of the kings of Israel are all examined God then sent His Son Jesus Christ to earth to make good His promises and fulfill His desires for mankind which Adam failed to do The study examines Jesus' life death and resurrection as well as the lives of His faithful servants such as Paul Stephen and Peter The answer to the title's fundamental question is a unifying thread which not only runs throughout the whole Bible but ties it all together

*Resurrection* Franco Alfano, Cesare Hanau, 1925 *Calling All Overcomers: An Interpretation of the Book of Revelation* James Harman, 2015-04-02 Perplexed by the book of Revelation Not sure what all the signs symbols and metaphors really mean Jim Harman's latest work unravels Apostle John's remarkable revelation of Jesus Christ and what's in store for the inhabitants of planet Earth This extraordinary commentary is not another cookie cutter rehash of the popular teachings fostered by the Left Behind phenomena so prevalent in today's church This unique book outlines the 7 strategic sections of John's vision that are further divided into 7 segments The reader will come away with a new and enlightened understanding of what the last book in God's Word is all about Understand the book of Revelation and why it is so important for believers living in the last days of the Church age *Calling All Overcomers* is more than the title to this book it's the personal call of God's own heart One of the central messages in the book of Revelation is that God is calling men to be genuine overcomers Jesus Christ has been sent out from the throne of God to conquer men's hearts so they can also be overcomers The purpose of this book is to encourage people to embrace him as the King of their heart and allow his life to reign in theirs He wants you to be able to overcome by his mighty power and strength living inside of you just as He overcame for all of us Jesus will be looking for a faithful remnant qualified to rule and reign with him when he returns This book will help you prepare to be the
