*The Benchley Roundup* Robert Benchley, 1956      *The Benchley Roundup* Robert C. Benchley, 1983 Robert C Benchley's sketches and articles published in periodicals like Life Vanity Fair and The New Yorker earned him a reputation as one of the sharpest humorists of his time his influence on contemporaries such as E B White James Thurber and S J Perelman or followers like Woody Allen Steve Martin and Richard Pryor has left an indelible mark on the American comic tradition The Benchley Roundup collects those pieces selected by Benchley's son Nathaniel which seem to stand up best over the years a compendium of the most endearing and enduring work from one of America's funniest and most penetrating wits It took me fifteen years to discover that I had no talent for writing but I couldn't give it up because by then I was too famous Robert Benchley      **The Benchley Roundup** ,1962      **The Benchley Roundup, Etc** ,1956      **The National and English Review** ,1956      *The Benchley Roundup* Robert Benchley, Nathaniel Benchley, 1954      *Encyclopedia of American Humorists* Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature      **Book Review Digest** ,1987 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher      **Twentieth Century Fiction** George Woodcock, 1983-04-01      *Forties Film Funnymen* Wes D.
