The Letters Of Virginia Woolf Vol 3:

Sexual Sameness (Routledge Revivals) Joseph Bristow, 2014-03-18 First published in 1992 *Sexual Sameness* examines the differing textual strategies male and female writers have developed to celebrate homosexuality Examining such writers as E M Forster James Baldwin Sylvia Townsend Warner and Audre Lourde this wide ranging book demonstrates how literature has been one of the few cultural spaces in which sexual outsiders have been able to explore forbidden desires From the humiliating trials of Oscar Wilde to the appalling stigmatisation of people living with AIDS *Sexual Sameness* reveals the persistent homophobia that has until recently almost completely inhibited our understanding of lesbian and gay writing In opening up homosexual literature to informed and objective methods of reading *Sexual Sameness* will be of interest to a large lesbian and gay readership as well as to students of gender studies literary studies and the social sciences *Cold Modernism* Jessica Burstein, 2012 Explores a significant but overlooked aspect of early twentieth century modernism one that focuses on surface appearance rather than interiority or psychological depth Looks at the writers Wyndham Lewis and Mina Loy the artists Balthus and Hans Bellmer and the fashion designer Coco Chanel Provided by publisher **Modernist Intimacies** Elsa Hogberg, 2021-05-05 *Modernist Intimacies* traces modern intimacy back to the first decades of the twentieth century showing that modernism played a crucial role in its emergence Intimacy can no longer be seen as an exclusively private familiar sphere of life independent of socio political realities and the twelve newly commissioned chapters present incisive original perspectives on intimacy as a vital dimension of modernist aesthetic and social practices They engage topics from music making wartime radio broadcasting and transnational relations to diary writing sexual pleasure queer religiosity and same sex love In attending to a wide range of print literary texts as well as other media such as church murals and sonic archives the book also points to the resonance of modernist intimacies in our own time **Aldous Huxley** Nicholas Murray, 2003-03-24 A generous and intelligent biography of the twentieth century luminary and author of *Brave New World* The Guardian UK When Aldous Huxley died in 1963 he was considered one of the most important English writers of the twentieth century Known for his dystopian satire *Brave New World* and his experimentation with drugs that preceded the 1960s psychedelic era Huxley seemed to embody the condition of twentieth century man in his restless curiosity his search for meaning in a post religious age and his concern about the misuses of science and the future of the planet This biography of Huxley draws on unprecedented access to the author's private papers as well as numerous interviews with his family and friends It is a portrait of a daring and iconoclastic novelist a man hampered by semi blindness who spent a restless life in search of personal enlightenment Nicholas Murray charts Huxley's Bloomsbury years his surprising and complex relationship with D H Lawrence and his emigration to America in the late 1930s where he pursued a career as a screenwriter while continuing his fascination with mysticism and religion Huxley's private life was also unconventional and this book reveals for the first time the extraordinary story of the ménage trois including Huxley's

remarkable wife Maria and the Bloomsbury socialite Mary Hutchinson Huxley is revealed as one of the most intriguing and complex figures of twentieth century English writing In an era of intense specialization he transcended conventional categories to become an influential novelist poet biographer philosopher social and political thinker *Writing disenchantment* Andrew Frayn,2015-11-01 It has become axiomatic that First World War literature was disenchanted or disillusioned and returning combatants were unable to process or communicate that experience In *Writing disenchantment* Andrew Frayn argues that this was not just about the war non combatants were just as disenchanted as those who fought and writers such as D H Lawrence and Virginia Woolf produced some of the sharpest criticisms Its language already existed in contemporary sociological and historical accounts of the problems of mass culture and the modern city whose structures contained the conflict and were strengthened during it Archival material sales data and reviews are used to chart disenchantment in a wide range of early twentieth century war literature from novels about fears of invasion and pacifism through the modernist novels of the 1920s to its dominance in the War Books Boom of 1928 30 This book will appeal to scholars and students of English literature social and cultural history and gender studies *Sussex Writers in their Landscape* Peter Brandon,2023-10-19 Theirs was a pre urban world in the glow of its last sunset without a care or doubt in which it seemed as if nothing could ever come to harm Here was their version of that ideal world that has haunted the dreamer rebel and pastoral poet for centuries Between 1850 and 1939 such well known writers as Rudyard Kipling Virginia Woolf and Richard Jefferies came to Sussex a county already home to the likes of Wilfrid Blunt Hilaire Belloc and others The result was an explosion of literary creativity which rejected modernity and the London scene and instead developed writing imbued with a sense of nature and landscape In this his last book Peter Brandon 1927 2011 has drawn on his vast knowledge of the Sussex landscape to show how such writers seeking a foil to London were inspired by their surroundings and found peace and a tranquillity which existed in few other places **Virginia Woolf** Eleanor Jane McNees,1994 First Published in 1994 Routledge is an imprint of Taylor Francis an informa company **The Gay & Lesbian Literary Companion** Sharon Malinowski,Christa Brelin,1995 Includes material on 45 writers including biographies critical essays and literary selections **Gay & Lesbian Literature: Introduction to gay male literature** Sharon Malinowski,Tom Pendergast,Sara Pendergast,1994 Biographical bibliographical and critical information on more than four hundred authors who have figured prominently in gay and lesbian literature and culture since 1900 **John Maynard Keynes** Charles Henry Hession,1984 This is the first full portrait of the great economist s emotional and intellectual life and his career in the arts political affairs letters and philosophy Hession shows how Keynes deviation and unorthodoxy attributed by Hession to Keynes androgynous character provide the key to the originality of his breakthrough economic theory He evokes the intellectual life of Great Britain in the late Victorian and Edwardian years in order to set Keynes in historical context Describes Keynes childhood and intense parental relationships and their influence on his creativity his lifelong friendship with Lytton Strachey and his

amorous relationship with the artist Duncan Grant Also examines his ties with the Bloomsbury group with anecdotes about the group's members including Virginia Woolf Vanessa Bell and Leonard Woolf and exposes the distortion of Keynes views by so called neo Keynesians ISBN 0 02 551310 9 22 95 **Woolf Studies Annual** ,2004 *The British Library General Catalogue of Printed Books 1976 to 1982* British Library,1983 **British Literary Magazines: The modern age, 1914-1984** Alvin Sullivan,1983 **Bloomsbury and Modernism** Ulysses L. D'Aquila,1989 This book is a study of the relationship between that remarkable set of writers and painters known as the Bloomsbury Group and the complex of new ideas in aesthetics psychology philosophy and literature which came to be called Modernism Bloomsbury and Modernism is focused primarily upon the writings of E M Forster Lytton Strachey and Virginia Woolf but it makes reference throughout to the other members of the group as well as to the advanced notions which inspired their work **Books in Print** ,1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers *Edith Craig (1869-1947)* Katharine Cockin,1998 This biography explores the life of a person who was neglected as a woman a lesbian a theatrical figure and committed activist for women's suffrage
