LESSONS FROM THE LIFE OF MOSES

GODSWORD GODSWILL ONU,2015-03-11 Moses is a great Old Testament man of God from whom we can learn so many great things both positive and negative things Moses was born in a great trying period for the children of Israel but God by His Mighty Hand shielded and protected him When he came to age he refused to be taken as the son of Pharaoh's daughter but chose to suffer affliction with the people of God After God met him at the burning bush he returned to Pharaoh in great authority power and boldness and thus delivered the Israelites He obeyed God faithfully and had close relationship with God Even though he made a mistake God in His Great Love and Mercy forgave him for he repented and took him to Heaven

Choose Jodie Niznik,2020-09-15 Leads women through the life of Moses to discover their own extraordinary purpose The life of Moses was an exceptional one God pursued Moses calling him to step forward into leadership and miraculous events Instead of saying no to that invitation he trusted that God's plan however improbable it seemed was the best way to live

Equipped with that faith Moses led God's people out of slavery to the land of promise changing their entire world. The truth is we're not that different. Every day we're called to follow God's lead to do things only we can do. And like Moses we must each choose if we will take the path God guides us to or follow our own way. Through this inductive ten week Bible study Jodie Niznik invites you on an experiential journey along with Moses to learn just what that choice can mean. Each week starts with a spiritual discipline to move women from head knowledge to heart understanding. Then through thoughtful questions, personal reflection and practical application Jodie explores the text to uncover the lessons Moses's life teaches to every modern woman. Designed for either individual or group study this first book in the Real People Real Faith series combines inductive learning with practical spiritual disciplines taking a new look at old stories to discover their many connections to life today. *Destiny and Deliverance* Philip Yancey, 1998 Bestselling Christian authors share spiritual insights on the life of Moses in this collection of essays inspired by the biblically based animated feature film *The Prince of Egypt*.

Biblical

Theology in the Life of the Early Church Stephen O. Presley, 2025-04-29 Biblical Theology in the Life of the Early Church recasts biblical theology as a practice cultivated in Christian community rather than a solely academic pursuit. Stephen Presley argues that the early church fathers crafted an ecclesial biblical theology that was lived out communally and oriented believers toward beholding God's glory. This volume brings patristic biblical interpretation into conversation with contemporary biblical theology exploring how assumptions and methods of figures such as Irenaeus and Augustine can guide modern hermeneutics. Presley shows how early Christian theologians emphasized virtue and discipleship alongside exegesis patiently shaping readers to inhabit Scripture's narrative. He illuminates the catechetical and liturgical scaffolding that informed patristic biblical theology centered on Christ as the cornerstone. Students and scholars of theology, church history, hermeneutics and patristics will find valuable new insights.

The Life and Times of Moses Jim Whiting, 2019-12-05 Moses is probably the most important figure in the Old Testament of the Bible. Born into a Hebrew family he was rescued from a cruel death and raised in the court of the Pharaoh. But after killing an Egyptian he fled into the desert. Many years later God appeared to him in the form of a burning bush. He ordered Moses to go back to Egypt and lead the Hebrews out of bondage and into the Promised Land. It wasn't easy.

The Hebrews spent many years wandering in the desert during which time Moses received the Ten Commandments twice. He smashed the stone tablets on which they were inscribed the first time because the Hebrews had begun worshiping a golden calf during his absence. Despite all the difficulties and the dangers Moses determined leadership finally brought his people to
