**Infinite Life Sutra** Anonymous, 2021-04-10 Anonymous's Infinite Life Sutra is a profound and enlightening text that delves into the concept of eternal life and the nature of existence. Written in a poetic and meditative style, the book explores the interconnectedness of all living beings and the possibility of transcending the cycle of birth and death. The Infinite Life Sutra is a central text in the Mahayana Buddhist tradition, offering readers a path to enlightenment through compassionate action and mindfulness. The text is filled with vivid imagery and allegorical tales that convey deep spiritual truths in a captivating manner. Anonymous's writing is both thought-provoking and inspirational, inviting readers to contemplate the mysteries of life and the universe. This timeless work continues to influence spiritual seekers and scholars around the world, offering a profound message of hope and liberation. I highly recommend Infinite Life Sutra to anyone interested in exploring the deeper dimensions of existence and seeking a deeper understanding of the human experience.

Max Muller,2001-09-21 This is a subset of the Sacred Books of the East Series which includes translations of all the most important works of the seven non Christian religions which have exercised a profound influence on the civilizations of the continent of Asia The works have been translated by leading authorities in their field     God and Christ in Irenaeus Anthony Briggman,2018-12-06 For too long certain scholars have been content to portray Irenaeus of Lyons as a well meaning churchman but incompetent theologian By offering a careful reading of Irenaeus polemical and constructive arguments God and Christ in Irenaeus contradicts these claims by showing that he was highly educated trained in the rhetorical arts aware of general philosophical positions and able to use both rhetorical and philosophical theories and methods in his argumentation Moreover the theological account laid down by his pen was original and sophisticated supremely so for one of the second century In contrast to readings that minimize the metaphysical dimension of Irenaeus theology Anthony Briggman establishes as pillars of Irenaeus polemical argumentation and constructive theology his conception of the divine being as infinite and simple the reciprocal immanence of the Word Son and God the Father divine generation the union of the divine Word Son and human nature in the person of Christ and the revelatory activity of the infinite and incomprehensible Word Son amongst other features of his theology Briggman offers a fundamentally new understanding of Irenaeus and his thought     **Demonic Possession and Lived Religion in Later Medieval Europe** Sari Katajalla-Peltomaa,2020-02-19 Demonic possession was a spiritual state that often

had physical symptoms however in *Demonic Possession and Lived Religion in Later Medieval Europe* Sari Katajala Peltomaa argues that demonic possession was a social phenomenon which should be understood with regard to the community and culture. She focuses on significant case studies from canonization processes c 1240-1450 which show how each set of sources formed its own specific context in which demonic presence derived from different motivations, reasonings and methods of categorization. The chosen perspective is that of lived religion which is both a thematic approach and a methodology, a focus on rituals, symbols and gestures as well as sensitivity to nuances and careful contextualizing of the cases are constitutive elements of the argumentation. The analysis contests the hierarchy between the learned and the popular within religion as well as the existence of a strict polarity between individual and collective religious participation. Demonic presence disclosed negotiations over authority and agency; it shows how the personal affected the communal and vice versa and how they were eventually transformed into discourses and institutions of the Church that is definitions of the miraculous and the diabolical. Geographically the volume covers Western Europe comparing Northern and Southern material and customs. The structure follows the logic of the phenomenon beginning with the background reasons offered as a cause of demonic possession continuing with communities' responses and emotions including construction of sacred caregiving methods. Finally the ways in which demonic presence contributed to wider societal debates in the fields of politics and spirituality are discussed. Alterity and inversion of identity, gender and various forms of corporeality and the interplay between the sacred and diabolical are themes that run all through the volume.

**The Complete Works...** Andrew Fuller, 1859      The Great Possession; a Contribution Towards the Knowledge and Education of the Human Soul Richard BELL (Wesleyan Minister.), 1867      *The Lewis Collection of Gems and Rings in the Possession of Corpus Christi College, Cambridge, with an Introductory Essay on Ancient Gems* John Henry Middleton, Samuel Savage Lewis, 1892      Remarkable Healings Shakuntala Modi, 1998-04-01

Psychiatry remains an emerging discipline. Many people suffer from ailments that have no apparent cause, no obvious cure. Quite by accident while using hypnotherapy Dr Modi discovered that past-life regression can be a beneficial treatment. Many of these patients under hypnosis claimed to have spirits attached to their bodies and energy fields creating psychological and physical problems. Based on years of experience Dr Modi describes techniques that release these spirits revealing how patients can sometimes recover within a few sessions. While most doctors would agree that emotional states affect our health few would give credence to spiritual influences. In this truly groundbreaking book Dr Modi presents evidence that something beyond the physical affects the health of many people and urges medical scientists to objectively assess this revolutionary approach to mental and often physical illness. Pioneers have the courage to put aside the status quo and evaluate what the evidence shows even if it defies the prevailing logic of the time. Both physicians and the general public should explore the pioneering work of Dr Modi, work which no doubt has produced many remarkable healings.
