## **The Battle Of Seven Pines:**

*The Battle of Seven Pines (Classic Reprint)* Gustavus Woodson Smith,2015-07-05 Excerpt from The Battle of Seven Pines Many of the published accounts of the battle of Seven Pines are about as dark and confusing as were the tangled woods and swamps in which most of the close and bloody fighting took place The following quotations will illustrate the conflict of statements on this subject Federal writers say It is hardly denied by the most passionate of McClellan s partisans that the way was open before him to Richmond on the afternoon of the first day that being McClellan s greatest opportunity The Confederates had thrown almost their whole force against McClellan s left wing Keyes and Heintzelman and on the second day were streaming back to Richmond in discouragement and disorder We now know the state of disorganization and dismay in which the rebel army retreated On the Confederate side it is stated The way to Richmond was not open to McClellan The first day the Confederates attacked McClellan s left wing with but five brigades So far from streaming back to Richmond in discouragement and disorder they the attacking party remained in possession of the captured works on the Williamsburg road nearly twenty four hours after the fighting ended and on the Nine miles road the Confederates closely confronted Sumner s corps at Fair Oaks for several days thereafter The above quotations are from the Century Magazine for January 1889 page 477 They are referred to here as constituting one of a thousand instances of conflicting opinions in regard to the principal features of this battle which seem to call for the publication of an accurate account of the main facts and the proofs While endeavoring to prepare such an account I have felt constrained at the risk of being tedious to comment upon erroneous assertions of high authorities and to give in some detail important evidence contained in the recently published official reports of regimental brigade and division commanders on both sides About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

through which they had to struggle Nonetheless by the time the fighting was finished nearly 40 000 had been engaged on both sides and it was the biggest battle in the Eastern theater to date second only to Shiloh at the time Although it was inconclusive McClellan was rattled by the attack and near the end of the fighting that night Johnston had attempted to rally his men by riding up and down the lines only to be nearly blown off his horse by artillery fire and having to be taken off the field Johnston explained About seven o clock I received a slight wound in the right shoulder from a musket shot and a few moments after was unhorsed by a heavy fragment of shell which struck my breast Those around had me borne from the field in an ambulance not however before the President who was with General Lee not far in the rear had heard of the accident and visited me manifesting great concern as he continued to do until I was out of danger Having been seriously wounded Johnston s command was given the following day to military advisor Robert E Lee The Battle of Seven Pines The History of the First Major Battle of the 1862 Peninsula Campaign looks at the events that led to one of the most fateful battles of the Civil War **The Battle of Seven Pines... - Primary Source Edition** Gustavus Woodson Smith,2013-12 [Battles and Leaders of the Civil War](#) ,1887 [Battles and Leaders of the Civil War](#) Robert Underwood Johnson,Clarence Clough Buel,1887 [Second catalogue, including the additions made since 1882](#) Baltimore Peabody inst, libr,1896 **Second Catalogue of the Library of the Peabody Institute of the City of Baltimore, Including the Additions Made Since 1882** George Peabody Library,1898 **Contrasts in Command** Victor Vignola,2023-10-26

The author s new and important study concentrates on the Fair Oaks part of the battle His research is thorough he has walked the ground and his narrative brings the battle to life Doug Crenshaw author historian The bloody two day battle was fought on the doorstep of the Confederate capital It was the first major combat in the Eastern Theater since Bull Run Manassas almost a year earlier left more than 11 000 casualties in its wake and cost the primary Southern field army its commander The possession of Richmond hung in its balance Yet almost nothing has been written about Seven Pines Fair Oaks Victor Vignola s Contrasts in Command The Battle of Fair Oaks May 31 June 1 1862 which focuses primarily on the Fair Oaks portion of the battle is a major contribution to the historiography of the war Maj Gen George B McClellan marched his Army of the Potomac up the Virginia Peninsula during the early spring of 1862 and placed his inexperienced IV Corps at the tip of the spear south of the flood prone Chickahominy River McClellan s opponent Joe Johnston took the opportunity to strike and crafted an overly complex attack plan for his Virginia army to crush the exposed corps A series of bungled marches piecemeal attacks and a lack of assertive leadership doomed the Southern plan One of the wounded late in the day on May 31 was Johnston whose injury led to the appointment of Robert E Lee to take his place a decision that changed the course of the entire Civil War Vignola s use of primary and archival sources many of which have never been used helped craft a wholly original tactical and leadership study that directly challenges conventional accounts His stunning reassessment has led to renewed interest in Fair Oaks and the acquisition of a significant parcel of land by the American Battlefield Trust Contrasts in Command The

Battle of Fair Oaks May 31 June 1 1862 will be hailed as one of the most important tactical studies ever published      *Second Catalogue of the Library of the Peabody Institute of the City of Baltimore* N. H. Morison,1898
