Cruz, Jr.,2014-05-30 Twin Beasts of the Apocalypse underlines the profound relevance significance and consequence of understanding the symbols and signs with which the Apostle John delivered to mankind the divine revelations in his Apocalypse The central issue concerns the two beasts that John saw in a vision that appeared to him in heaven one which came up out of the sea and the other which came up out of the earth After describing these beasts in its actual existence through symbols and signs and explaining the works that it had done is doing and shall do on earth the Apostle John calls out what seems to be a trial or a task for every man who has understanding Here is wisdom He who has understanding let him calculate the number of the beast for it is the number of a man and his number is six hundred and sixty six Since then so many wise and prudent theologians Bible scholars church and religious leaders and teachers and religious individuals have come up with their different calculations that border from the bizarre to the most incredible that man can ever imagine In fact almost every one of them is either a near hit or a near miss at their very best Therefore the book exposes the futility of seeking the correct calculation of the number of the beast from these teachers and pastors of the different church organizations On the other hand it presents the perfect calculation of the number of the beast in a manner that leaves no doubt whatsoever as to its correctness and wisdom The beast of the earth will cause all the small and the great and the rich and the poor and the free and the bond to have a mark on their right hand or on their foreheads And that mark is the number of the beast which is the number of a man Here is the consequence of receiving the mark of the beast If anyone worships the beast and its image and receives a mark upon his forehead or upon his hand he also shall drink of the wine of the wrath of God which is poured unmixed into the cup of his wrath and he shall be tormented with fire and brimstone in the sight of the holy angels and in the sight of the Lamb And the smoke of their torments goes up forever and ever and they rest neither day nor night they who worshipped the beast and its image and anyone who received the mark of its name Apocalypse 14 9 11 The book will make it certain to the reader whether he or she has the mark or not It also imparts the Biblical instructions to those who have the mark upon the forehead or upon the right hand on how to effectively and immediately get rid of the mark      **An Exposition of the Apocalypse** John Dingle,1879
