Lewis](#) The Hyperink Team,2012-02-29 ABOUT THE BOOK World famous author C S Lewis is best known for his numerous literary masterpieces and his role as a Christian apologist Lewis s career has touched people s lives and attracted criticism in equal parts From the stances he takes in his novellas to his approach to interpreting the Bible much of Lewis s fame has come as a result of ruffling feathers with his incredible talent Anyone who reads will have heard of Lewis s most famous novels The Chronicles of Narnia The series of seven fantasy books is what earned Lewis his reputation as a talented author However critics have accused Lewis of conforming to gender and racial stereotypes in the series Despite these controversies some of the novels have made into successful films Aside from writing novels that appeal to children Lewis also wrote a series of rather dark poems As a far cry from his books that featured plucky heroes and heroines Lewis s poems focused on morality and death In After Prayers Lie Cold which opens with Arise my body my small body we have striven Lewis addresses death and nature EXCERPT FROM THE BOOK Lewis may be best known for The Chronicles of Narnia but he also gained fame through publishing other fictional masterpieces The Space Trilogy steps away from Lewis usual themes of myths and magic and instead focuses on what life may be like on other planets The series begins with Out of the Silent Planet which is set on Mars The main character Elwin discovers that Earth has been banished by all of the other planets and exists in solitude within the solar system This was then followed by Perelandra which is primarily set on Venus where humans have just begun to live Finally the series ends with The Hideous Strength a book that features a battle against demons who want to lay waste to Earth Throughout the books the old solar system and cosmology are featured as well as secret languages Lewis Mere Christianity is a series of radio interviews that Lewis gave on Christianity that were published as transcripts In this book Lewis attempts to argue for Christian morals At the time of the interviews Europe was battling against Hitler and Nazism and Lewis used Hitler as a point of reference for what the majority of humans would perceive to be morally wrong The book also tackles the rather controversial topic of how Jesus is depicted in the Bible Lewis made notes of parts of the Bible where Jesus would apparently claim to be God and tried to encourage Christians to question why he did this By invoking heated debates on how Jesus Christ saw himself Lewis attracted criticism from staunch religious theists Finally Lewis s arguments for Christianity placed a certain degree of focus on how Christians should lead their lives including their approach to marriage sex and sins such as pride Buy a copy to keep reading [A Philosophical Walking Tour with C. S. Lewis](#) Stewart Goetz,2014-12-18 Although it has been almost seventy years since Time declared C S Lewis one of the world s most influential spokespersons for Christianity and fifty years since Lewis s death his influence remains just as great if not greater today While much has been written on Lewis and his work virtually nothing has been written from a philosophical perspective on his views of happiness pleasure pain and the soul and body As a result no one so far has recognized that his

views on these matters are deeply interesting and controversial and perhaps more jarring no one has yet adequately explained why Lewis never became a Roman Catholic Stewart Goetz s careful investigation of Lewis s philosophical thought reveals oft overlooked implications and demonstrates that it was at its root at odds with that of Thomas Aquinas and thereby the Roman Catholic Church C.
